MILLSPAUGH
KEPT CONDITION
OF GORIN BANK
TO HIMSELFNo Evidence of Irregularities
Was Presented, Scot-
land County Prosecutor
Says.OTTO AND MOORE
HOLD CONFERENCEAttorney-General Preparing
for Inquiry Into Trust
Company by Special
Grand Jury.By CURTIS A. BETTS,
Staff Correspondent of the Post-
Dispatch.

JEFFERSON CITY, March 25.—Although the Citizens Trust Co. of Gorin closed its doors July 31 last, and was taken over by Finance Commissioner Millspaugh, no evidence of the wholesale law violations in connection with its operations was presented to any prosecuting officers. These violations, as was told in the Post-Dispatch yesterday, in the suspension from office of Finance Commissioner Millspaugh and the arrest of Jerome B. McCutchan, a director of the bank at Gorin, on a charge of grand larceny.

That no evidence was presented to the prosecuting officers was disclosed today by Charles L. Moore, prosecuting attorney of Scotland County, who is in Jefferson City under with Attorney-General Otto and Moore, who are investigating the Finance Commissioner Millspaugh.

Information obtained from the office of the Attorney-General as to the attitude of Commissioner Millspaugh became available today. It shows that on March 12, the Attorney-General called upon Millspaugh for information regarding the Gorin Bank and that the information was not furnished him. At that time, Otto asked Millspaugh to outline the steps he had taken toward prosecutions in the Gorin case.

Letter to Millspaugh—
The Attorney-General's letter
reads:

"Hon. Frank C. Millspaugh, Commissioner of Finance, Jefferson City, Mo.
Dear Sir: In view of the fact that the Citizens Trust Co. of Gorin, Mo., was taken over by your department early in July, 1924, and inasmuch as I am advised that nothing has been done in the way of investigating to determine if any of the criminal laws of this State have been violated in the closing of this institution, I, as the chief law officer of this State, request that you advise me as to what steps you, as Bank Commissioner of this State in charge of this bank, have taken in this direction. I further request that you supply me with the following information:

"The report of the examination of the bank was closed; the names of the directors and principal stockholders of the institution; records showing loans, to whom made and the amounts, particularly the amount of money owing the bank by Mr. J. B. McCutchan of St. Louis, and the amounts and number of certificates of deposit issued to Mr. George Paustian of Kansas City.

"Trusting that you will give this matter your prompt attention I am, very truly yours,

"ROBERT W. OTTO,
Attorney-General."

Mr. Otto did not receive the information requested from Millspaugh, said today that after receipt of the letter, Millspaugh called him on the telephone and said that the Citizens Trust Co. of Gorin was cooperating with the prosecuting attorney there and that he (Millspaugh) could "not furnish the information."

When the prosecuting attorney called to Millspaugh, told the attorney general today: "Neither through nor Mr. Martin, the examiner in charge of the bank, ever showed me any evidence of any of the law in connection with the bank, or ever supplied me with information on which I have prosecutions of Roy T. Martin, the cashier, whose confession revealed the many law violations on the date of the Attorney-General's letter to Millspaugh. I have informed me that the record in the institution were open to the public and that the Attorney-General said that this was on Page 2, Column 7.

SILVER WEDDING
FEAST BROKEN UP
BY ICE CREAMHost Says He Inadvertently
Broke Jewish Law and Now
He Seeks Damages.Special to the Post-Dispatch.
NEW YORK, March 25.—Orthodox Jewish religion and ice cream ran afoul of each other March 10 at the silver wedding anniversary of Morris and Jennie Heyman of Newark, N. J.

As a result, Heyman, a clothing merchant, and his wife filed suit yesterday in the Essex County Circuit Court for \$50,000 damages against the Castles Ice Cream Co. of Irvington, N. J., declaring the company caused them and their guests to break, inadvertently, a Jewish law.

Because meat had been served partaking of the dessert, not identified as ice cream until it had been eaten, Heyman complained, constituted a violation of an old rule of orthodox Judaism, which rules that meat and milk shall not be taken at the same table. Heyman alleges his guests became angered and left the celebration, that his reputation has been materially damaged, that he has lost money in business and is about to be ousted from a Jewish club. He said he had ordered ices instead of ice cream.

Officials of the company, one of the largest ice cream producers in New Jersey, said they knew nothing of Heyman's suit.

WOMAN PAYS \$2,627.309 TAX
ON SALE OF FORD CO. STOCKDetroit Resident Among Those As-
sessed With Senator Couzens on
Additional \$17,000,000.

DETROIT, Mich., March 25.—Mrs. Alice Gray Kales gave her check for \$2,627.309.05 to the Internal Revenue Bureau office here yesterday in payment of her supplementary income tax on the sale of minority shares of Ford Motor Co. stock in 1918. It became known today. The payment was made under protest.

Senator James Couzens and others who, with Mrs. Kales, recently were assessed an additional total of approximately \$17,000,000 on the 1915 sale, have filed bonds in lieu of payment. Mrs. Kales alone paying the tax itself.

Mrs. Kales is one of the heirs of the Gray estate. By paying the tax, she will receive 6 per cent interest on the full amount if the tax later is refunded.

SOUTHERN ILLINOIS OFFICIALS
FACE DRY LAW INDICTMENTS
Federal Attorney Plans Prosecution
of County and City Officials,
He Announces.

By the Associated Press.
SPRINGFIELD, Ill., March 25.—Indictment of county and municipal officials in some of the counties and cities of the Southern Illinois District of the United States Court on charges of conspiracy to violate the national prohibition law was threatened yesterday by United States District Attorney Thomas Williamson.

The District Attorney declares such a measure is now being planned by the Government in an effort to bring about a stricter enforcement of the prohibition law. The action, Williamson says, will follow a precedent established in Gary, Ind., where municipal officers were indicted and convicted for conspiring to violate the dry amendment.

HOME-BREW BOTTLE BURST,
MAN LOSES HIS LEFT EYE
Robert Zink, 42, of Bellevue, Undergoes Operation Here After
Being Hit By Glass.

Robert Zink, 42 years old, of Bellevue, underwent an operation in Mullaphy Hospital here for the removal of his left eye yesterday as a result of injuries suffered when he was struck by a fragment of glass from a bottle of home-brewed cereal beverage.

He was drinking up several bottles of the brew from the cellar when one of the bottles burst and a piece of glass struck the eye.

CIGARETTE TAX
BILL PASSED BY
HOUSE, 103-10Sponsors of Measure, Which
Has Governor's Support,
Say It Will Produce
\$3,000,000 in 2 Years.RATE HIGHER THAN
IN OHIO STATUTEPackage Now Retailing at
12 Cents Would Cost
Consumer 14 Cents, if
Proposal Becomes Law.By a Staff Correspondent of the
Post-Dispatch.

JEFFERSON CITY, March 25.—A bill to place a tax on cigarettes and cigarette wrappers, which, it is estimated will bring in \$2,000,000 revenue to the State every biennial period, yesterday was passed by the House, 103 to 10. Sponsors of the measure say a similar law enacted in Ohio nets \$1,000,000 a year to that State, where less cigarettes are sold and the tax rate is slightly lower.

The tax would be two mills per cigarette, on cigarettes weighing not more than three pounds per 1000, and four mills on cigarettes weighing more than that. A package of 10 cigarettes, for example, now retailing at 12 cents would cost the consumer 14 cents; a package of 20 cigarettes retailing at 15 cents would be increased to 19 cents, and a package of 30, retailing at 20 cents, would be boosted to 24 or 28 cents, depending on the weight.

A smoker daily using a package taxed 4 cents, would pay an aggregate tax of \$14.60 annually. Opponents of the bill argued that retailers would be tempted to charge 15, 20, 25 and 30 cents, respectively for the packages, the extra cent or 2 cents being so much more profit. Proponents replied the dealers would be justified in increasing profits, in compensation for working in making the tax returns.

The bill now goes to the Senate, where it is expected to meet with more opposition than it did in the House. It has the endorsement of Gov. Baker as a source of revenue.

HUMAN SACRIFICE OF GIRL
BRINGS DEATH PENALTY TO 3Former Indian Official Offered Up
Daughter to Goddess Calai in
Effort to Cure Son.

LONDON, March 25.—Dispatches from Calcutta report an amazing case of the sacrifice of children to Goddess Calai at Mandla, near Jabalpur, in the central provinces. The young son of a former native Government official named Mulchand fell sick and the family, believing the boy possessed of a devil, decided human sacrifice necessary to his recovery and offered up his sister as this sacrifice. When no improvement in the boy's condition was forthcoming they decided to sacrifice the boy and his sister, and the family, believing the boy possessed of a devil, decided human sacrifice necessary to his recovery and offered up his sister as this sacrifice.

Mulchand and two sons have been sentenced to death for the crime, and a daughter-in-law to imprisonment for life.

Kept Gorin Condition to Self

stitute the investigation and push it regardless of the extent of which it went or the number of counties into which it might be extended. This instruction from the Governor is a formality under the law, and authorizes the Attorney General to go into the counties to assist local officers, or direct an investigation, when local officers do not call for State assistance.

The Farley investigating committee of the State Senate, which has been inquiring into the conduct of the Finance Department in the liquidation of closed banks, marked time today pending further developments in the case of Gorin. A total of 85 banks have been closed in Missouri since Jan. 1, 1923.

Examiner States No Funds Left in Closed Moberly Bank.

By the Associated Press.

MOBERLY, Mo., March 25.—Not a cent of the funds of the Farmers' and Merchants' Bank in Moberly, Deputy State Finance Commissioner A. E. Marriot, in charge of that bank's liquidation, here said today when shown newspaper containing letters published in connection with the proposed grand jury investigation of the administration of Frank C. Gorin, Mo. said: "C. went to Moberly tonight. He had to get \$10,000 from that bank there and will give us \$15,000 here."

The funds remaining after the closing of the Farmers' and Merchants' Bank here were placed in other Moberly banks, and remained here during liquidation until paid to depositors by court order, Marriot said.

AUTO FINES IN COUNTY ILLEGAL, MUELLER HOLDS

Prosecuting Attorney Declares \$1512.40 Collected by Justices of the Peace Should Be Returned.

199 DRIVERS PAID COST OF \$7.60 EACH

Levied on Those Rounded Up Over Week-End for Failing to Have Their 1925 Licenses.

The \$1512.40 costs which Clayton Justice courts collected from automobile drivers Monday, after a week-end campaign against motorists without 1925 State licenses, are illegally obtained and every penny should be refunded at the rate of \$7.60 to each of the 199 drivers who pleaded guilty, Prosecuting Attorney Mueller of St. Louis County announced today after a study of the Missouri fee statutes.

The drivers in question are entitled to go to the Justice where they paid, said Mueller, and demand their money back. Getting it, however, will be another question, inasmuch as the Constable and Deputy Constables of Central Township, the two Justices, the County Sheriff and his deputies, who are scheduled to ride the roads, are not in accord with Mueller's interpretation of the law.

650 Arrests in All.

The arrests were made by 20 deputy constables and seven deputy sheriffs, 650 arrests in all, which, on a fee basis, all pleaded guilty, would have netted \$4940, however, "indignant" complaints from the Automobile Club and other interested agencies caused the Justices to back down, and when Monday was over 135 persons had paid costs in Justice Mueller's court and 46 in Justice Stecker's court.

Mueller holds that the arresting deputy is not entitled to his witness fee in more than one case because the law says "witnesses appearing in the same case shall not be allowed any fees for that day." Wherefore, because the collection of \$150 per case for each Deputy Constable, and \$3 for each Deputy Sheriff, is illegal, all the cases and all the costs collected are illegal, said Mueller.

Constable Roth of Central Township and Justice Werremeyer, interviewed together, declared the ruling "ridiculous." Said Roth: "You can't expect a Deputy Constable to work for \$150 a day. If his ruling were enforced, it would mean the obliteration of the Constable's office and the Justice courts. Do you think a deputy would pursue speeders and law violators all day Sunday, and then come to work for \$150 a day? He would only get \$1.6 for his work."

How Fees Are Distributed.

Under the fee system the sum of \$150 is collected on each guilty plea, to be distributed as follows: \$100 to the Justice, \$20 to the Deputy Constable, \$20 to the Constable, \$20 to the Justice of the Peace hearing the case, \$10 to the Deputy who brought the arrest, if he is a Justice, \$5 to the Constable, \$5 to the Deputy, and \$1 to the Sheriff.

Monday's collections are now in the hands of Justices Stecker and Werremeyer, the popular politicians, who are the popular politicians in that legal action would be necessary for any motorist who wants his money back. Prosecuting Attorney Mueller said he will take it further action.

Of the week-end campaign in St. Louis County, which was made because there was only a few warnings to the public and because the city police do not prosecute motorists until April 1 for failure to have the proper license tags, Automobile Club officials intend the county and city authorities should get together.

One of the letters, alleged to have been written by Jerome B. McCutchan of St. Louis, to Roy T. Myers, former cashier of the defunct Citizens Trust Co. of Gorin, Mo. said: "C. went to Moberly tonight. He had to get \$10,000 from that bank there and will give us \$15,000 here."

The funds remaining after the closing of the Farmers' and Merchants' Bank here were placed in other Moberly banks, and remained here during liquidation until paid to depositors by court order, Marriot said.

"MILLSAUGH" BANK AT CANTON CLOSES DOORS

Continued from Page One.

Trust Co. of Gorin, will go to Canton, tomorrow.

On March 14 Page testified before the Farley investigating committee at Jefferson City that at the time Millsaugh became Finance Commissioner he was holder of 67 shares of company stock, as trustee for others. This was transferred to others, the witness said. Jerome B. McCutchan, who held 16 shares of the stock, Page declared.

Page testified that \$20,000 of certificates of deposit were issued to McCutchan on notes of other persons deposited in the trust company and that the company had paid the certificates. He said that of the collateral securing the notes on which the certificates were issued, only \$3500 had been realized.

While Page was on the stand, the committee inquired into the deposits made by Millsaugh as Finance Commissioner in the Canton Trust Co. It was shown that in about a year's time, from November, 1923, to December, 1924, Millsaugh had deposited \$168,672.04 in the trust company, the money being the funds of the defunct banks and of housing trusts which were under his control. It was shown that he took funds of the Holland Banking Co. in Springfield in the southwestern part of the State, and deposited them in the Canton Trust Co. in the northeastern part.

PURSE WAS TOBACCO POUCH

Continued from Page One.

NEW YORK, March 25.—An incident of the arrival from Paris of Gloria Swanson, motion picture actress, and her husband, Marquis de Falaise, attracted considerable interest here today. Noting what appeared to be a lady's purse in the couple's stateroom, a curious woman asked:

"What does the H mean under the crown on Miss Swanson's purse?"

"It isn't a crown," answered the Marquis in good English. "It's a purse. It isn't Madame's; it's my tobacco pouch. And the H is for my first name, Henri."

Beaux Arts Cafe Padlocked.

NEW YORK, March 25.—Under a decree of a Federal court, the Beaux Arts restaurant will be padlocked for 15 days starting April 15 for violation of the prohibition law. Penalties were similar to that imposed on other supper clubs against the District Attorney Buckner when waging a padlock campaign.

Firemen Razing Walls of Fire-Swept Plant

Firemen forcing down, under water pressure, the walls of the building occupied by the D. I. Bushnell Seed Company, Main and Plum streets, which was destroyed by fire early today. The building was five stories in height.

Indication Gorin Bank Will Pay 12 Cts. on Dollar

Continued from Page One.

and McCutchan named the individuals as Mrs. Hammatt and a Mrs. Bradshaw. He said he would rather not name the banks. Objection to answering questions about securities on loans was voiced by McCutchan, "because the newspapers had been giving him notoriety."

About \$300,000 in Claims.

Examiner Martin, who took charge of the Gorin bank the day after its directors closed it, was questioned by former Supreme Judge Conway Elder, attorney for former Supreme Judge Charles G. Revelle, receiver of the Interstate Casualty Co.

"How much of a dividend will the Citizens Trust pay?" Elder asked Martin. "I couldn't say," was the reply.

"Will it pay any dividend?" "I'd hesitate to say it would."

"What is the capital?" "Fifty thousand dollars; that was raised from \$10,000."

"What's the total of claims against the bank?" "Approximately \$300,000."

"When you took charge what assets did you find?" "Approximately \$483,000."

"What were these assets?" "Notes."

"All notes?" "Yes, sir, all notes."

Judge Davis interposed: "Were these secured notes?" "No, sir."

"Were they farm mortgage notes?" "No, sir."

"Well, what kind were they?" Martin smiled with apparent meaning as he replied, "Just notes."

Few Notes Secured.

Elder resumed the questioning, asking: " weren't any of these notes secured?" "Very few," the examiner answered.

"Were any of them good?" "Well, some of them."

"How many of these notes were secured?" "Not over three or four."

"Well, you know enough about the bank to give us some idea what you can realize on this paper; how much would you say?" "Not more than \$100,000."

"So that will leave \$100,000 for the creditors, to pay claims of more than \$300,000?" "Oh, no. The bank has bills payable amounting to more than \$60,000, and a Quincy (Ill.) bank holds collateral—practically all the good collateral—for that amount."

Administration of the bank's affairs would cost \$3000, he estimated, and the balance remaining to pay outstanding claims would be about \$37,000.

Questioned About Certificates.

Martin was asked about a \$6000 certificate of deposit included in the bank's assets, dated Oct. 12, 1922, and payable to McCutchan. He said it was secured by McCutchan's note. He was asked about two \$7500 certificates of deposit, dated Nov. 17, 1923, and payable to Dodd Gibson of Webster Groves, who was a spectator in the courtroom. He said one of these was secured by Gibson's note and the other by a check of McCutchan's.

Martin produced loose leaf records to show that the Interstate Casualty Co. deposit of \$106,000 in the Gorin bank had been taken out by check on June 14, 1924, six weeks before the institution was closed.

Other Testimony.

J. D. de Buchananne, secretary of the North American Co. of St. Louis, insurance brokers, and plaintiff in the Interstate Casualty receivership, testified that he became interested in the casualty company in July, 1924, the last business day in which the Gorin bank did business. Within a few days after getting in the casualty company, he related, he became suspicious about its affairs, and went to see Cashier Myers at Gorin.

The witness declared Myers told him the Interstate had on deposit

\$175,000 FIRE IN SEED COMPANY BUILDING

Structure Occupied by Bushnell Co. at Main and Plum Is Destroyed.

Damage approximating \$175,000 resulted early today from a fire which destroyed a five-story brick building at Main and Plum streets, occupied by the D. I. Bushnell Seed Co. Two other buildings adjoining the seed company structure on the south were also seriously damaged by water and falling walls.

The blaze was discovered at 1:35 a. m. by a policeman, who turned in the alarm. Within a few minutes 20 fire engines and four trucks were at the scene, but by that time the entire structure was a mass of flames. Because of the narrow streets and the distance from fire hydrants the firemen experienced considerable difficulty in bringing their equipment into action. The flames were not under control until 6 a. m. and the embers were still smoldering up to noon today.

All three buildings were owned by the Bushnell-Pommer Realty Co., two being leased to the Talbot Terminal Warehouse Co. The contents of the seed company's quarters comprised a large stock of grains and seeds obtained for the spring trade and those of the other structures included a variety of merchandise.

According to William L. Jackson, manager of the Bushnell firm, the total value of contents destroyed was \$125,000. This included \$2300 worth of mattresses owned by the Lincoln Mattress Co. of Lincoln, Ill.; \$2000 worth of paper bags, the property of the Advance Paper Bag Co., and bars and springs valued at \$8000, owned by the Kinney Rome Co. of Chicago.

A District Fire Chief said the fire apparently had started from spontaneous combustion in the seed building. The loss was partially covered by insurance.

CRABTREE WILL CONTEST

By the Associated Press.

BOSTON, March 25.—The Boston Herald says that Attorney F. J. W. Scott, superintendent of the State Fish Hatchery here, arrived yesterday from Washington, D. C., with \$600,000 yellow perch from the Potomac River. The perch are in the spawn state and will be ready for distribution in about eight days. Superintendent Scott also brought back 100 rock bass for stock fish.

Loan From Telegraphers' Bank.

Joseph G. Campbell, assistant cashier of the Telegraphers' National Bank here, testified about a \$15,000 loan by his bank on April 16, 1924, to G. C. Hill. The cashier's check given the borrower when he obtained the loan was indorsed by McCutchan, McNatt and J. H. Wood, the latter being a stranger to him, Campbell said.

Security on this loan was \$50,000 in "gilt edge" bonds, Campbell said, and he explained that these bonds had been stored in a vault at the bank under joint custody of the State Insurance Department and the Interstate Casualty Co., in compliance with the law. The witness said he did not know if the bonds were still there, and Campbell also told of a \$15,000 loan by his bank to McCutchan, secured by a \$15,000 deed of trust on Clay County land.

KROME PREDICTED HIS OWN MURDER, A FRIEND SAYS

Oscar Paul Tells of Conversation With Man Later Found Fatally Shot at Wheel of Auto.

MENTIONED COUPLE HELD BY POLICE

Requested Paul to Tell His Mother Truth of Matter in Case He Did Get Killed.

Twelve hours before he was fatally shot at the wheel of his automobile early last Sunday, Julius Krome, 39 years old, of 2136 Vine Grove avenue, predicted he would be killed, according to the assertion of his friend, Oscar Paul, of 1430 Mallinckrodt street, who appeared at Carr Street Police Station yesterday and volunteered a statement.

Paul declared that Krome came to his home Saturday afternoon, confided that he had been caught by Emmett Everson, 36, of 2620A Glasgow avenue, in a compromising position with Everson's wife, Olive, 35, and said he feared one of the couple would take his revenge. Paul said Krome told him, Everson for revenge, or Mrs. Everson so that "no one else would have him."

Eversons Questioned Again.

The Eversons, who have been detained since Monday, when they were arrested at Krome's residence, where they had gone to extend sympathy to his family, were questioned again last night, and maintained their denial of all knowledge of Krome's death. Paul will testify at the inquest tomorrow.

"You're my best friend, Oscar, and I want to tell you something confidential," Krome told Paul, according to the volunteer witness. "I expect to get killed and I want you to tell my mother the truth. I can't tell her now because it would worry her, but if I get killed, I want her to know how it happened."

According to Paul, Krome related that Everson had appeared from under a bed on the evening of March 15, when he was visiting Mrs. Everson, and drove him (Krome) from the house with a revolver. Paul said Krome told him Everson had threatened to kill him and that Mrs. Everson had said, "If I can't have him, no one else will."

After this confidence, Krome went to the kitchen and handed Mrs. Paul \$125, telling her by his small son a printing press. "I promised it to him and this may be the last chance I have to make good," he is quoted by Paul as saying.

A written statement credited to Everson, but which he did not sign, was prepared Monday and described the bedroom scene of March 17. Everson, in this statement, admitted he had threatened Krome with an empty revolver, but declared the quarrel had been patched up. He refused to talk to reporters, referring them to the statement.

Krome was found in his automobile at Broadway and Riddle street Sunday morning, with a bullet wound through the body which caused his death. He said a highwayman shot him, while he was returning alone from East St. Louis.

The Eversons said they visited Krome in East St. Louis Saturday night, but did not see Krome or hear of the shooting until Sunday morning.

The Eversons are held without bond pending the inquest street Sunday morning, with a bullet wound through the body which caused his death. He said a highwayman shot him, while he was returning alone from East St. Louis.

The Eversons said they visited Krome in East St. Louis Saturday night, but did not see Krome or hear of the shooting until Sunday morning.

Village Rises to Defend Boulevard Stop-or-Pay

Brentwood Holds Indignation Meeting After Auto Club Calls Its Traffic Plan a Public Nuisance on "Rural Highway."

The village of Brentwood, which sprawls around the intersection of Manchester and North and South roads in St. Louis County, is a highly indignant community today. It feels that its dignity, its government and law have been ruthlessly assailed, and if there is anything Brentwood is strong for, it is government and law.

The object of Brentwood's wrath is a charge, recently made by the Automobile Club of Missouri, that the town's one and only boulevard stop is a public nuisance on a "rural highway" and instead of promoting safe driving, functions only as a revenue getter for the town's officials.

At a public indignation meeting at the town hall last night—a session marked by fiery and patriotic speeches—it was decided that the Automobile Club could send next Tuesday night either prepared to prove its charges or make humble apologies for maligning the integrity of Brentwood's officers. As for the club's threat to boycott the town unless the stop sign comes down, Brentwood replies that the organization can go to hell, because all that members of the club ever ask for in Brentwood, anyway, is water, air and information.

How Trouble Started.

The trouble started about two weeks ago when the town's Board of Trustees instructed the town attorney, Jesse L. Harnage, to ask the Automobile Club for aid in erecting a fence along a dangerous curve on the North and South roads, about a mile north of the village. The club replied it would gladly assist in the project, but that Brentwood must reciprocate by hauling down those boulevard stop signs at the Manchester-North and South intersection. The meeting at which this was to be discussed jointly was set for last night.

Most automobile drivers who have motored out the Manchester road are familiar with the intersection about which the dispute is centering. The driver is apprised of the fact that he is entering a municipality by a few scattered stores, residences and gasoline filling stations and the boulevard stop signs which appear at the side of the road on the four approaches to the corner. Sometimes an officer may be observed near the scene and if the motorist fails to note the signs or fails to heed them, the officer speedily halts him. When the incident is closed the motorist is out \$4.

Of this \$4 fine, the Automobile Club pointed out, \$2 goes to the officer making the arrest, 70 cents to the Mayor, who is also Police Judge, 70 cents to the Town Attorney and 60 cents to the town Treasury. The statement brought the town up in arms and Attorney Harnage advised Matt F. Morse, president, that he might just as well save himself a trip out there last night. Morse didn't attend and the fence program, consequently, is at a standstill.

After the meeting had assembled the first official act was to throw into the waste basket a letter Morse had written in reply to Harnage. But that was done only after a motion had been duly made and seconded, for Brentwood is as strong for parliamentary procedure as for government.

FIVE MORE STORM DEAD AT MURPHYSBORO, ILL.

Total for City Now Stands at 208 — 150 Injured Persons in Hospitals.

By a Staff Correspondent of the Post-Dispatch.

MURPHYSBORO, Ill., March 15.—With five more deaths here yesterday afternoon and last night, and one in St. Louis today, the tornado death total for this city stood at 208 today. This includes two men who died Sunday after they had been taken from Murphysboro to St. Louis for treatment.

Approximately 150 persons, many of whom are critically injured, are being cared for at St. Andrew's and at the emergency hospitals, while it is estimated that perhaps 200 other injured who are able to be about are getting daily treatment for head wounds and other injuries.

With the treatment of the injured being carried forward systematically, the attention of the Rehabilitation Committee is concentrated on feeding and housing the 8000 who are homeless. The prospect of employment for most of the city's men are encouraging, and leaders in the rehabilitation work believe that relief work in the rebuilding of the city will be an acute economic crisis resulting from unemployment.

The announcement yesterday of Gov. Small that he would order work begun on Highway No. 12, north from Murphysboro, means that 3000 men from Murphysboro will get jobs on the road construction within a short time. In addition, 1400 men will get part time employment in the rebuilding of the city. Several hundred will be put to work on the new plant of the Brown Shoe Co.

Red Cross Directs Relief.

Following a mass meeting of citizens of Murphysboro, the Red Cross committee, and relief work in all areas of Illinois, Indiana and Missouri is now under the official direction of the organization.

It was definitely announced by Red Cross officials that administrative offices for the tri-state relief operation will be established here. Branch offices will be set up in each stricken city at which a staff of trained workers will be stationed to rush to completion the Red Cross rebuilding and rehabilitation program.

Henry M. Baker, Red Cross disaster director, told the Murphysboro citizens that the Red Cross guaranteed to "rehabilitate every disaster sufferer in the devastated districts according to Red Cross standards of disaster relief work."

"The Red Cross will never leave you until this is done," he added. "One hundred Red Cross disaster workers are now on their way to the stricken area to start immediately the rehabilitation work."

Another Man Injured at Murphysboro in Storm Dies Here.

Another name was added to the list of tornado victims when Herbert Crisler, 35 years old, who lived at Murphysboro with his wife, Lulu, died at Barnes Hospital at 1 a. m. today. A long splinter of wood had pierced his abdomen. Crisler was one of the group of 55 injured persons who were brought from Murphysboro to St. Louis Sunday night. One man died en route to St. Louis and another died at Barnes Hospital shortly after arriving.

LOW GARBAGE BID 34 CENTS A TON BELOW LAST CONTRACT

Former Steamboat Captain's Offer Would Save City \$20,000 on Basis of Present Price.

The lowest bid among those submitted on a five-year contract for disposal of city garbage, opened yesterday by the Board of Public Service, was 34 cents a ton below the price for which the Jefferson Distributing Co. did the work last year under a one-year emergency contract.

The bid of 69 cents a ton was made by Thomas L. Faudree, a former steamboat captain. The Jefferson Distributing Co. made the highest bid, \$1.29 a ton. Other bidders were Charles L. Rea, 74 cents a ton; W. L. Berry Towing Co., 95 cents a ton; Porter & Co., \$1.10 a ton.

City garbage has been disposed of under one-year contracts for the last three years. The Bureau of Municipal Research recommended a five-year contract to obtain lower bids, since contractors could figure equipment costs more economically on a five-year basis.

About 60,000 tons of garbage yearly is towed from the foot of Chouteau avenue to pig farms along the river, so that the annual saving on the Faudree bid would amount to \$20,000 above that of last year. Director of Streets and Sewers Fiske is inquiring into the responsibility and equipment of the bidders and will make his recommendation Tuesday.

When court was about to meet the girl broke under the process of being photographed in an ante room and she began to scream hysterically. Judge Harold Louderback ordered a recess of 10 minutes so she could be calmed.

Defense counsel announced they would object to further newspaper photographs of their client.

"She has been subjected to this every day," said Sylvester J. McAttee, chief defense attorney, "and she's got too much of it."

A long queue of spectators were ranged along the corridors outside the courtroom awaiting the resumption of the trial.

The jury box has been filled temporarily, four of the State's 20 peremptory challenges are exhausted and three of the defense's 20 used.

Counsel today anticipated that another day, perhaps two, would be required to complete the jury.

Chanfer Killed in 12-Foot Fall.

COLUMBIA, Mo., March 25.—Willis Smith, 44 years old, chauffeur for a baking company here, was killed here today when he fell 12 feet down an elevator shaft.

LILLIAN GISH EATS RAW
CARROTS FOR NERVOUSNESSHer Vegetarian Habit Disclosed at
Trial of Breach of Contract
Suit.

NEW YORK, March 25.—Lillian Gish eats raw carrots for nervousness. This vegetarian habit of the screen actress was revealed in Federal Court at the trial of a suit brought by Charles H. Duell, president of Inspiration Pictures, Inc., to compel her to make pictures only for his company.

Throughout the opening session of the trial yesterday Miss Gish took an occasional bite of a carrot. Spectators wondered whether the diet had anything to do with her enviable complexion. She was asked the reason.

"Oh, I'm awfully nervous," she replied.

Holland Duell appeared as counsel for his brother. He described the action as "a contract-jumping case." Max Steiner, counsel for Miss Gish, pleaded that she could not understand a contract. "Probably," he said to the Court, "you have never come in contact with a mentality so uniquely lacking in capacity to read and analyze a document, or understand figures. Although she is without peer as an actress, she would sign anything that anyone asked her to sign."

Duell replied that Miss Gish was approaching 30 years and should be able to understand a contract. Duell said that Miss Gish had received \$253,000 in salary and percentage from Charles Duell's company in a little more than two years.

Mrs. Tinney to Seek Divorce.

NEW YORK, March 25.—Counsel for Mrs. Edna Tinney yesterday filed in the Long Island City Supreme Court a motion to discontinue her suit for separation from Frank Tinney, blackface comedian. Mrs. Tinney has announced her intention of suing the comedian for a divorce, naming as co-respondent Imogene Wilson, former Follies chorus girl.

GIRL PASSENGER ON TOP OF
MOTORBUS SERIOUSLY HURTMiss Elizabeth Wright Knocked
From Seat by Projecting Limb
of a Tree.

Miss Elizabeth Wright, 13 years old, daughter of Dr. J. S. Wright of 1225 Clara avenue, is in Missouri Baptist Sanitarium in a critical condition suffering from a fractured nose and probable fracture of the skull as the result of an unusual accident while she was a passenger on top of a Page boulevard bus Monday evening. Dr. Wright reported to police yesterday.

He said his daughter was riding on the right-hand side of the bus when it pulled into a stop at 4333 Page boulevard and was struck by a projecting limb of a tree and knocked from her seat. She was taken to the sanitarium.

5 DIE IN PARIS EXPRESS WRECK

By the Associated Press.

PARIS, March 25.—Five persons are known to have been killed and 50 others injured when the Bordeaux-Paris Express was wrecked near here early today. The dead include Dr. Adolphe Fedebloud, Senator from the Upper Pyrenees. Seven coaches jumped the track and three of them were tumbled into the river. Some of the rescued passengers said they had to break their way out of the half-submerged cars. Many of them were helped from the wreck by a detachment of Moroccan soldiers on board the train. Those men, whose unit is called "The Joyous," because all have police records from escapades, displayed much bravery. One of the killed was a boy who drowned in his mother's arms as the rescuers arrived.

Youth Held for Killing Father.

By the Associated Press.

LINCOLN, Ill., March 25.—Elmer Ware, 18 years old, was held on a charge of manslaughter here yesterday, following the death of his father, Albert Ware, who was struck on the head with a test pole during an argument over the use of an automobile. Young Ware was unable to furnish bond of \$5000.

Josef Pasternack

The seventh and last program in the present
series of the new era in radio broadcasting

The seventh and last in the present series of broadcast programs by the Victor Talking Machine Company in cooperation with the American Telephone and Telegraph Company, presenting world famous artists of the first rank! Mr. Reinald Werrenrath, baritone, and the Shannon Quartet (Messrs. Franklyn Baur, Lewis James, Elliott Shaw, and Wilfred Glenn), will sing, and the Victor Concert Orchestra, Mr. Josef Pasternack directing, will play in the studio of the American Telephone and Telegraph Company, Station WEA, New York City. This performance will be communicated by land wires to the stations given above.

If you enjoy this program, let us hear from you after the concert. Address the Victor Talking Machine Company, Camden, N. J., Advertising Department, or the Victor Talking Machine Company care of the stations from which you hear the performance.

"Tune in" tomorrow night—and when the concert is over hear these artists whenever you wish to hear them—on a Victrola with Victor Records.

Victor Concert Orchestra
Josef Pasternack directing, will play

One of the Spring Season's Most Remarkable Offerings for Men!—

1000 Topcoats

Hand-Tailored From London-Shrunk Woolens!
Presenting Truly Extraordinary Values at

\$24⁷⁵

English-Type Models—"Cravenette" Processed

So seldom will you find better values than these Coats represent. They are the best looking "toppers" we've seen in many a day—and of a quality to give the most satisfactory service. In addition to smart English styling and good American tailoring, they offer an unusual variety of London-shrunk woolens. Cambridge grays, London lavender, Highland fawns, Gothic browns, tans and heathers—in all sorts of new weaves and patterns. And each Coat is finished with satin yoke, sleeve linings and piping!

Topcoat and Raincoat in One!

Every Coat is "Cravenette" processed—which virtually means it is two Coats in one. A Topcoat for fair weather and a Raincoat for drizzly days! And each one is the kind to make you look and feel well-dressed! Come and make your selection from this assortment Thursday! There are all sizes, including stouts, slims and shorts.

Choose While Assortments Are Complete!

PUBLIC CONFUSION FORCED MUSSOLINI TO FACE POPULACE

Government Was Faced
With Necessity of Showing
Dictator or Disclosing
His Real Condition.

LOOKED SHADOW OF FORMER SELF

Face and Figure Have
Grown Extremely Thin—
Voice of Premier Alone
Was Firm.

The New York World and Post-Dispatch present another uncorroborated dispatch from their special correspondent, Kajetan Dunbar, who has told of the illness of Benito Mussolini, Fascist dictator. The following dispatch deals with his den conditions in Italy. The World and Post-Dispatch received from the Italian Ambassador at Washington, Signor Giacomo De Martino, a denial of "rumors" that Premier Mussolini's health is "threatened by serious complications and that he has undergone a major surgical operation." His denial also was made in a formal statement from the Italian embassy to the press.

By KAJETAN DUNBAR.
A Staff Correspondent of the New York World and the Post-Dispatch
Copyright, 1925, by the Press and Pulitzer
Publishing Cos. (New York World
and Post-Dispatch).

THE SWISS FRONTIER, March 25.—According to stories told by persons in Northern Italy, who are closely in touch with the situation at Rome, the Government a few days ago was faced with a choice of two means of allaying public confusion. One was to issue a bulletin signed by reputable doctors stating the real condition of Premier Mussolini. The other was to show the dictator to the people. The second choice was taken. Mussolini appeared Sunday morning at the conclusion of a procession celebrating the sixth anniversary of the foundation of Fascism.

According to dispatches from Rome on Monday, the day following his appearance, Mussolini took an hour's automobile drive, after which he visited a pet lion cub in the zoological gardens. Everyone was impressed by his apparent ill health. He looked the shadow of his former self. His face and figure have grown extremely thin. His color was ashen. His voice alone was firm. He spoke only three minutes. Then, casting a frown into the crowd below, disappeared. It was noted his illness had not altered his state of mind. The few words he spoke bore all his old intolerance.

Many believe his appearance and the risk of further delaying his cure was unwise. Such public appearances prove nothing unless they are followed by Mussolini's return to his former activities. His advisers are risking involving him in the tangle of contradictory reports which marked Lenin's illness.

Possible Successors.
There are two men to take up the burden of government. Luigi Federzoni, Minister of the Interior, and Farinacci, Secretary-general of the Fascist party. Aided by these men Mussolini may yet remain nominally at the helm, if he takes a long period of rest surrounded by all possible care.

The reaction to Mussolini's illness is apparent. Farinacci is trying to interfere at every point with Federzoni, who is carrying on the Government.
The opposition sees dark times in the immediate future. The enemies of Fascism are convinced that whereas Mussolini chastised with whips, Federzoni will chastise with scorpions. Influenced by the Jewish party as well as the desire to succeed Mussolini in the affections of the black shirts, the Liberals fear his subtle, dangerous intellect which is enabling him falsely to persuade some that he will gradually return to a constitutional system. Former Premier Giolitti, in the name of the opposition, recently visited the King and asked why he keeps the present Government despite the plain fact that it has lost the country's esteem and confidence.

King's Reported Reply.

PUBLIC CONFUSION FORCED MUSSOLINI TO FACE POPULACE

Government Was Faced
With Necessity of Show-
-ing Dictator or Disclosing
His Real Condition.

LOOKED SHADOW OF FORMER SELF

Face and Figure Have
Grown Extremely Thin—
Voice of Premier Alone
Was Firm.

The New York World and Post-
-Dispatch present another uncen-
-sored dispatch from their special cor-
-respondent, Kajetan Dunbar, who
has told of the illness of Benito
Mussolini, Fascist dictator. The
following dispatch deals with hid-
-den conditions in Italy. The World
and Post-Dispatch received from the
Italian Ambassador at Washington,
Signor Giacomo De Martino, a de-
-nial of "rumors" that Premier Mus-
-solini's health is "threatened by
serious complications and that he
has undergone a major surgical
operation." His denial also was
made in a formal statement from
the Italian embassy to the press.

By KAJETAN DUNBAR,
A Staff Correspondent of the New
York World and the Post-Dispatch
Copyright, 1925, by the Press and Publi-
-cations Co. (New York World
and Post-Dispatch)

THE SWISS FRONTIER, March
25.—According to stories told by
persons in Northern Italy, who are
closely in touch with the situation
at Rome, the Government a few
days ago was faced with a choice
of two means of allaying public
confusion. One was to issue a bul-
-letin signed by reputable doctors
stating the real condition of Pre-
-mier Mussolini. The other was
to show the dictator to the people.
The second choice was taken.
Mussolini appeared Sunday morn-
-ing at the conclusion of a proces-
-sion celebrating the sixth anni-
-versary of the foundation of Fas-
-cism.

(According to dispatches from
Rome on Monday, the day follow-
-ing his appearance, Mussolini took
an hour's automobile drive, after
which he visited a pet lion cub in
the zoological gardens.)

Shadow of Former Self.
Accounts received in Northern
Italy state that after waiting half
an hour outside the Foreign Of-
-fice, a crowd of 15,000 citizens were
becoming convinced that another
crisis had made Mussolini's appear-
-ance impossible. At last the bal-
-cony window opened and the dic-
-tator appeared, dressed in the tra-
-ditional black shirt.

Everyone was impressed by his
apparent ill health. He looked the
shadow of his former self. His
face and figure have grown ex-
-tremely thin. His color was ashen.
His voice alone was firm. He spoke
only three minutes. Then, casting
a frown into the crowd below, dis-
-appeared. It was noted his illness
had not altered his state of mind.
"The few words he spoke bore all
his old intolerance."

Many believe his appearance and
the risk of further delaying his
cure was unwise. Such public ap-
-pearances prove nothing unless
they are followed by Mussolini's
return to his former activities. His
advisers are risking involving him
in the tangle of contradictory re-
-ports which marked Lenin's
illness.

Possible Successors.
There are two men to take up
the burden of government, Luigi
Federzoni, Minister of the Interior,
and Farinacci, secretary-general of
the Fascist party. Aided by these
men, Mussolini may yet remain
nominally at the helm, if he takes
a long period of rest surrounded
by all possible care.

The reaction to Mussolini's ill-
-ness is apparent. Farinacci is try-
-ing to interfere at every point with
Federzoni, who is carrying on the
Government.
The opposition sees dark times
in the immediate future. The ene-
-mies of Fascism are convinced
that whereas Mussolini chastised
with whips, Federzoni will chas-
-tise with scorpions. Influenced by
the Jesuit party as well as the Be-
-late to succeed Mussolini in the
affections of the black shirts.
The Liberals fear his subtle,
-dangerous intellect which is ena-
-bling him to persuade some
that he will gradually return to a
constitutional system. Former
Premier Giolitti, in the name of
the opposition, recently visited the
King and asked why he keeps the
present Government despite the
fact that it has lost the coun-
-try's esteem and confidence.
King's Reported Reply.
The Chamber of Deputies was

electd by the country and never
yet has given the Government a
contrary vote." Victor Emmanuel
is reported to have answered, "The
Senate likewise votes confidence
every time."

"Therefore, as a constitutional
monarch, my hands are tied, but
if you can show me the Senate's
disapproval by even a one-vote
majority I can and will dismiss the
Government."

Many think elections may be
hastened by Mussolini's illness,
which will cause violent quarrels
among the Fascist heads. There-
-fore the opposition is drawing up
for the election a ticket on a plat-
-form including reconquest of con-
-stitutional liberty, freedom of press
and public gatherings, restoration
of death duties, guarantee of pub-

lic order and restoration of elect-
-oral municipal councils.
**Italian Embassy Denies Mussolini's
Health Is Seriously Affected.**
Special to the Post-Dispatch.
NEW YORK, March 25.—The
following message was received by
the New York World yesterday
from the Italian Ambassador in
Washington:
"Editor The World: With refer-
-ence to the correspondence from

the Swiss frontier which has been
published in your issue of March
24, I beg to communicate to you in
advance a formal statement given
today by this embassy to the press:
"In view of the news which has
been published lately by certain pa-
pers to the effect that Premier
Mussolini's health is threatened by
serious complications and that he
had undergone a major surgical op-
-eration, the Italian Embassy has

authority formally to state that
such rumors have no foundation
whatever in fact."
"DE MARTINO."

**Divorces Aggravated by
Renting, Says Judge**
"America's divorce problem is
being aggravated by the increase
in house renting. There would be
fewer divorces if every family
lived in their own home," advised
a Chicago judge recently.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can keep them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter how long standing, is not relieved after taking according to directions. Ask your druggist, Creomulsion Co., Atlanta, Ga.

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action: it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter how long standing, is not relieved after taking according to directions. Ask your druggist. Creomulsion Co., Atlanta, Ga.

How He Discovered Best Constipation Relief

Mr. Joseph F. Glus of Brooklyn, N.Y., writes: "In the past 20 years I have been constantly troubled with constipation. Every remedy I tried would work O.K. for a while—but soon failed. The only remedy I have been able to use steadily with good results have been Carter's Little Liver Pills. I don't guess when I take them I know I'm going to feel relieved." See at all druggists.

The clearing the skin and making it vigorously healthy. Always use the penetrating, antiseptic Zemo. It is the one dependable treatment for skin troubles of all kinds. Bottle 35c, large size \$1.00. Rapid, antiseptic and healing. All druggists.

BANQUET FOR SON OF CHINESE 'MAYOR'

Yuen Wing, Four Months Old, Arrayed in Finery for the Occasion.

It was a great night for Yuen Wing, 4 months old, last night was, for there was a banquet in his honor and it was in keeping with his importance as the son and heir of Lang Gee, 18 South Eighth street, "Mayor of Chinatown."

The festivities were at the New Republic Restaurant, with Chinese and Americans as guests. Yuen Wing, or, as Americanized, Leong Sam, was arrayed in finery befitting his station and submitted solemnly to the affectionate demonstrations of the guests. True to the Chinese custom, his head was shaved. The idea of the shaving is to give the child of the Chinese boy a chance to grow, but Yuen Wing is a modern and an American citizen, and he will not wear a queue.

The menu consisted of yee chun gong (shark fin soup), with hearts of celery, shu bach kung (broiled pigeon), hong yuen kau pan (sub-gum almond chicken chop suey), far koi (roast breast of young turkey), sang goo mai whai (fruit salad), dai goo (strawberry short-cake), and coffee.

Col. John A. Laird was toastmaster. Congressman Dyer talked about his trip to China and of the legislation he had promoted for the benefit of Chino-American trade. He was glad to be able to say that none of his Chinese constituents had violated the Dyer act.

Isaac T. Cook paid a tribute to Chinese engineers and the integrity of the Chinese people.

Lang Gee responded beamingly to the tributes to his people and he and his pretty wife thanked everybody for their compliments for little Yuen Wing.

Among the guests were Mrs. Tom, Mrs. Leong Wing and son, Mrs. Jung Shee, John Young, Yee Ming, Mrs. John A. Laird, Dr. and Mrs. W. F. Gebhardt, Miss Lilly Ernst, Mr. and Mrs. Allen Curry, Mr. and Mrs. Lee A. Hall, Mr. and Mrs. Bruce Ramsey, Mr. and Mrs. J. Loneragan, Mr. and Mrs. Lawrence McDaniel, Mr. and Mrs. Robert C. Powell, Mr. and Mrs. Charles A. Leach and Miss Nancy Powell.

BODY OF WOMAN, MISSING 4 MONTHS, FOUND IN SWAMP

Corpse, Seated in Buggy, With Dead Horse Upright in Shafts—Last Seen With Man.

By the Associated Press. NEWPORT, Vt., March 25.—Grappling was resumed today for the body of Charles S. H. Hutchins, thought to be in a deep swamp above Lake Mumpremagog, a few miles from the Coventry railroad station. There a trapper yesterday found the body of Miss Edith J. Young, 24-year-old factory worker of Orleans and a former school teacher, on the seat of a buggy, with a dead horse upright in the shafts, only its head above the mire.

Miss Young and Hutchins, the father of two children and defendant in divorce proceedings, were last seen just four months ago yesterday, as they drove late at night in a hired rig from Newport toward Orleans, where the young woman lived. She had worked in the creamery in Newport Center, of which Hutchins was manager, but had returned to live in Orleans, her birthplace, and to work in a handkerchief factory there. Whether the pair were drowned when their buggy plunged from the roadway into the deep swamp water, or whether Hutchins in still alive is uncertain.

In the meantime, the body of Miss Young lay in an undertaking establishment, here for examination by Dr. Charles Whitney, State Pathologist.

HOUSEMAID JEWEL THIEF

GETS PRISON SENTENCE

She and Confederate Said to Have Looted Homes of Gems Valued at \$103,000.

By the Associated Press. NEW YORK, March 25.—Mrs. Louise Witt Werlitzer and Fritz Herman Lieberwirth, who police say have confessed to \$103,000 of jewel robberies here and in Chicago, were sentenced yesterday to 2½ to 5 years for theft of \$22,000 in gems from the home of Mrs. Lucille Schamberg of this city. Mrs. Werlitzer, a house maid, went to Auburn prison and Lieberwirth, who calls himself an inventor, went to Sing Sing. Bench warrants were issued for their arrest upon release from prison, so they may be taken to Chicago on charges that they stole \$80,000 in jewels from the home of Mrs. Morris Vemon in that city.

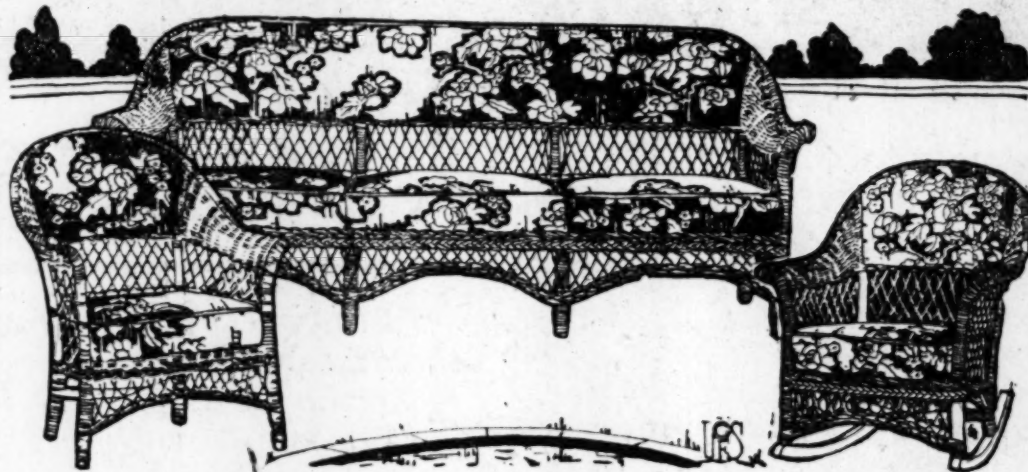

Mrs. Werlitzer confessed that for several years she had obtained positions in private home and, after locating valuables, secretly admitted Lieberwirth to steal them. She said Lieberwirth played the stock market with proceeds of the robberies.

"Blue Sky" Bill Up to Governor. JEFFERSON CITY, March 25.—The House yesterday passed a Senate bill providing for the transfer of the "blue sky division" from the Department of Finance to the Secretary of State's office. The vote was 87 for and 35 against. The bill was passed by the Senate last week, and now is ready for the Governor's signature.

INQUIRY INTO FATAL BRANDING OF MAN IN RITES

Oroville (Cal.) District Attorney Informed Victim Willingly Submitted to Use of Hot Rod.

By the Associated Press
OROVILLE, Cal., March 25.—District Attorney Roth announced today he will ask the county grand jury to investigate the branding, as part of a religious ceremony, of Charles Scholow, who died in a local hospital several days ago, presumably from a mental disorder.

Roth said he expected to issue a call for the grand jury today. According to authorities, Scholow was burned about the body with a hot rod during a so-called religious ceremony in a private home in a small community a few miles south of here. The explanation given the investigating officials is that those alleged to have participated in the branding were impelled by a strange power possessed by the dead man, one they could not resist, and that the branding was voluntarily accepted by Scholow. The District Attorney's office says it has the admission by one man, unnamed, that another member of the party did the branding and that Scholow lay on the floor, a willing victim of the hot iron. A report that the party offered a sheep as a sacrifice the night before the branding is also being investigated.

TAKE SALTS IF RHEUMATISM IS BOTHERING YOU

Tells Rheumatism Sufferers to Take Salts to Get Rid of Toxic Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. These subject to rheumatism should eat so sweets for awhile, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid or body waste matter, and is often generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this poison from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this toxic acid, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain, called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is helpful to neutralize acidity, remove waste and stimulate the kidneys, thus helping to rid the blood of these rheumatic poisons.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia, and is used with excellent results by thousands of folks who are subject to rheumatism.

345,000 INDIANS STILL LEFT IN UNITED STATES

17,000 of Them in Five Civilized Tribes Under U. S. Supervision; 200,000 Are "Restricted."

WASHINGTON, March 24.—The little lad who has a weakness for war paint, feathers and Indian tales may take heart at the Indian Bureau's announcement that there are still 345,000 of these primeval Americans in the land. The attention of the Sixty-ninth Congress will be called to the fact that, unless the nation's lawmakers make other provisions, the period of Government wardship in the five civilized tribes will expire in 1931. There are about 17,000 Indians under Federal supervision in the five civilized tribes and over the country try the Bureau of Indian Affairs has 200,000 "restricted" Indians, who are supervised. The Indians themselves, Indian Bureau officials say, are anxious to have the restriction extended, as they desire Government guardianship to conserve their lands. Under the June (1924) law, all native-born Indians are now citizens of the United States, many of whom are under wardship. There are 150 tribes of Indians now in the country, many of them being small groups. The number of Indian children in schools, the health appropriations by Congress, Indian hospitals and the value of farm products raised by those citizens have materially increased in the past decade. Farming and stock raising have developed appreciably among the Indians, and large sums of money are being spent by the Government on irrigation projects on their lands.

DR. S. P. CADMAN TO SPEAK

Brooklyn Minister to Address Joint Meeting of Civic Clubs. Dr. S. P. Cadman of New York, author and clergyman, will speak at a joint meeting of St. Louis civic clubs Thursday evening at Hotel Statler.

Dr. Cadman is pastor of Central Congregational Church, Brooklyn, and is nationally known as a lecturer. Cooperation Plant Destroyed by Fire. OSCEOLA, Ark., March 25.—The Kaiser Cooperation Co. plant was destroyed by fire yesterday, with a loss of \$200,000. The plants were located at Kaiser, nine miles from here. The property belongs to members of the Wunderlich family, of whom George J. Wunderlich of St. Louis is one. The mill and adjoining forest property gave employment to 500 persons.

29 ANTIKLANSMEN FINED

Court Tells Niles, O., Men to Go Home and Keep Peace.

WARREN, O., March 25.—Twenty-nine Niles citizens, all reputed anti-Ku Klux Klansmen, indicted in connection with the rioting in connection with the trial of the Klansman, pleaded guilty to charges of rioting in Common Pleas Court here today and drew fines, partly suspended on good behavior. Each man was sentenced to pay a fine of \$300 and costs of which \$250 is suspended on good behavior if the remainder is paid by Friday.

Corrosion Menaces Oil Fields.

By the Associated Press.

WASHINGTON, March 25.—Deterioration and destruction due to corrosion of metal in oil fields and gas fields are causing such waste of resources and financial loss that operations in many important fields cannot continue on a profitable basis unless these losses can be lessened or eliminated. It was predicted today by R. Van A. Mills, In-

terior Department petroleum engineer, in making public the results of a study of the subject, Mills said such losses in Kansas alone amount to \$3,000,000 a year and that in

Illinois valuable oil fields must be abandoned prematurely unless preventive measures against corrosion are adopted.

ILLINOIS VALUABLE OIL FIELDS MUST BE ABANDONED PREMATURELY UNLESS PREVENTIVE MEASURES AGAINST CORROSION ARE ADOPTED.

PART TWO.

IGOE DISCUSSES
GOOD GOVERNMENT
AS BUSINESS ASSETEmphasizes Importance of
Clean and Efficient Man-
agement as Requisite to
City's Growth.POINTS OUT NEEDS
FOR EXPANSIONGives Pledge to Guard Ex-
penditures and See Tax-
payer Gets Full Value for
Every Dollar Spent.

William L. Igoe, Democratic nominee for Mayor, discussed the importance of good government as a business and industrial as well as civic asset, at a meeting of the Eighth Ward "Igoe-for-Mayor Club" last night at Neumeier's Hall, Eighth street and Lafayette avenue.

He pointed out that the municipal government must be made the auxiliary of an effort to make St. Louis expand and become a greater city, commercially and industrially. He pledged, if elected, to see that the expenditures of the city were carefully guarded and full value received for each payment made.

"Good government is the first requisite of a prosperous, progressive community," Igoe said. "Modern municipal administration means more than the providing of fire and police protection and supply of water. It looks also to the moral and aesthetic interests of the people. It promotes welfare of business and industry by attracting people from other communities through the civic spirit which it encourages. Good streets, plentiful parks and playgrounds, adequate public institutions—all these are commercial as well as civic assets."

"Best Schools in U. S."

St. Louis, unfortunately, has lost its former rank among the cities of the United States. We must make every effort to recover that position and rise higher. The municipal government, upon which the taxpayers expend some twenty or more millions yearly, must be made the auxiliary in this effort to increase the population and the commercial and industrial importance of St. Louis. The beginning of this is to get for our city, and deserve for it, the reputation for efficient, economic administration of its affairs. We all know the value of schools and churches among the considerations which prompt individuals to select a particular place of residence. St. Louis has the best schools in the United States. Our churches are numerous and beautiful. In some respects, however, our purely municipal institutions are not of the standard that befits a city of the age and population of St. Louis.

The people have voted \$7,000,000 to remedy some defects which were recognized to exist in our civic life and equipment. It is vastly important that the institutions and instrumentalities in which the people are investing this great sum of money should be of practical and permanent character and value. Already St. Louis has advertised itself throughout the nation as a city of great vision. We do not want these great projects to be less in realization than they are in anticipation and we do not want these great, civic enterprises tainted by graft or marred by inefficiency or incompetency.

A Civic Growth.

First of all, of course, these institutions and improvements are to serve purely public needs. But, as I have said, they also should be a means of enhancing the commercial and industrial importance of St. Louis. The commercial growth and the civic development of a community should correspond. There must be homes where there are factories. Factories as well as homes have an interest in the kind of government which controls them.

"I regard the improvements for which St. Louis has voted as so many investments not only in behalf of civic progress but also in behalf of the commercial and industrial expansion of St. Louis. If I am elected Mayor that is the view with which I shall carry out the people's mandate. I will see to it that every dollar which goes into these buildings and other improvements, produces a dollar of value for the taxpayers. To insure that, I will select for the Board of Public Service men of the highest moral ability and personal character. I will see that their first allegiance is to the taxpayers. In every other department of the municipal government I will adopt the same policy in the selection of executive personnel. I will have around me only men who will help to uphold St. Louis civically, commercially and industrially."

Speaking in Twentieth Ward, Igoe will not speak tonight. His

MUSIC

John McCormack Sings Classics and Trash Before 5000 Admirers at Coliseum.

By RICHARD L. STOKES.

DURING John McCormack's recital last night at the Coliseum, one could not help wishing that just once, in St. Louis, he would content himself with the singing capacity of the Odeon, and function not as showman but as the sovereign artist he might be. Before an audience of 5000, from which came shouts for "Mother Mac" and "I Hear You Calling Mac" and which applauded "All Alone" to the echo, the Irish tenor offered a program slightly tainted with the classics, but also embracing a sad quantity of rubbish, more fitting for John Steele than John McCormack. Upon all that he sang, treasures and trash alike, he lavished a crystalline diction, a style of unique polish, and a voice of luscious beauty.

The ideal McCormack program might well begin with the numbers which opened last night's concert—Handel's "O Sleep, Why Dost Thou Leave Me?" and Bach's "Let Us Remain Here in Quiet." It might also include "The Maidens" of Brahms and Cesar Franck's impassioned sacred aria "Panis Angelicus," with obligato violinello, both of which appeared on the program.

Haydn, Mozart, Purcell. Little else would be retained, one would include something of Haydn, such as "My Mother Bids Me Bind My Hair," and one of the great Mozart arias for tenor—for instance, "Il mio tesoro." The lament of Dido, by Henry Purcell, would serve as a beautiful example of old English opera.

The Brahms song would be elaborated into a group of German lieder, comprising, say, Schuman's "Mondnacht," Schubert's "Du bist die Ruh" and "Der Doppelgänger," Hugo Wolf's "Das Verlassene Mädel" and the "Ständchen" of Richard Strauss. Then we should add an aria or so from the lyric opera of Italy, such as "Che gelida manina" or "E lucevan le stelle." In constructing a group of songs in English, we might remember that Schubert set poems of Shakespeare and Walter Scott, and that lieder in English texts were composed by Schumann and other German classics.

"Kathleen Mavourneen." This will no doubt remain a rosy dream, and we shall continue to hear the prime minister of classic song in our day waste his pearls upon songs as mediocre in music as in text. Not many of his other numbers of last night deserve naming, though an exception must be made in the case of "Kathleen Mavourneen," which McCormack sang here for the first time. This lovely and dramatic song almost reconciled us to the libretto.

The tenor's voice showed some effects of his recent encephalitis, but he resolutely refused more than one extra at the end of the program. As always, the recital was an object lesson in pellucid enunciation, pure intonation and fluency of expression. Here is the noble style of Mozart—the Greek beauty of line, the eagle-pinnated phrase, the flawless legato. Able assistance was contributed by Louis Kennedy, violinist, and Edward Schneider, accompanist.

Ane Roselle Sings "Aida" for First Time in St. Louis. GAIN "Aida." If it was distinguished, it was at least an honest performance which the San Carlo Opera Company presented at the Odeon last night. With Miss Ane Roselle making her St. Louis debut in the title role, she was not a sensational "Aida." Her voice was fresh and crystalline, but it was used with an unceasing tremolo, and lacked quantity to fill the auditorium and subdue the stridency of the brasses. The Anna of St. Louis singer's competency. Her mellow and resonant mezzo-soprano won an enthusiastic response from the audience, and the stage was flooded with flowers at the close of the second act. Gaetano Tommasini as Radames seemed not to be in his element. Mario Valle's Amnoso was a sterling performance, and Pietro de Biasi's Ramfis was as hierarchal of voice and bearing as ever. Tullio Guerrieri conducted nonchalantly without a score.

ESTATE OF MRS. DILWORTH IS APPRAISED AT \$437,000.

WOMEN voters as well as men will henceforth have to pay a poll tax in New Hampshire. Women's influence is said to have been potent in getting the legislation through, for most men opposed it. The prospect of being responsible, in the last analysis, for the tax bills of Friend Wife and Darling Daughter was far, as so often, his wishes were not seriously considered. Consequently the consistent and unpopular thing has been done in the Granite State. For consistency undoubtedly demands that they who have the privilege of voting shall also shoulder the duty of paying a poll tax.

INTERSTATE MOTOR BUS SERVICE.

THE United States Supreme Court was both logical and disconcerting in its opinion that a state cannot prevent the operation of motor buses if the route upon which they operate extends into other commonwealths. The state may, as we understand it, require the vehicles to be registered like other motor vehicles, and see to it that its operator is licensed like other operators, but it cannot say that the vehicle or vehicles must not enter into competition with other common carriers either at their own class or of some other, like a steam or an electric railway. State control ceases if the vehicle passes the state line.

NEWMAN ERB, RAIL EXECUTIVE, DIES AT 75

Former St. Louis Succumbs Following an Operation Monday in New York.

By The Associated Press.

NEW YORK, March 25.—Newman Erb, president of the Ann Arbor Railroad, died today in the Roosevelt Hospital after an operation on Monday. Erb, who had been living in New York, went to the hospital Sunday and was operated upon the next day for gland trouble. He was 75 years old and a native of Germany.

He was chairman of the Middleton & Unionville Railroad Co., vice-president of the New Dominion Copper Co. and a director of the Hall Signal & Switch Co. He was admitted to the bar in 1872 and practiced law until 1902.

In earlier years he was president of the Western Telegraph Co. From 1887 to 1892 he was receiver for the Chattanooga Southern Railway Co. He also served as vice-president of the Meridian & Connecticut River Railway Co. and the New York, New Haven & Hartford system.

He was vice-president of the Pere Marquette Railroad Co. in 1892, and later president of the St. Louis, Memphis & Southern Railroad, now part of the Frisco system.

Educated in St. Louis, Erb received a primary and high school education in St. Louis. He began as a stenographer and his first work was as private secretary to the vice president and attorney of the Life Association of America. He next took up accounting and for a time was instructor in a commercial college, later entering business, and before his majority became a member of the firm of Meyer, Bannerman & Co. of St. Louis, which he assisted in establishing, and which for nearly 40 years was prominent in the wholesale saddlery trade of the Mississippi Valley. While connected with that firm he took up the study of law.

In 1875 Erb established the Little Rock Daily Herald and in connection therewith founded the Arkansas Free Press, the first German paper published in Arkansas.

In 1881 he became identified with the construction of the Memphis extension of the Kansas City, Fort Scott & Gulf Railroad, became a director and was given charge of its law department for Arkansas and Tennessee. In 1886 he removed to Kansas City and undertook the construction of the Kansas City, Wyandotte & Northwestern Railroad, which he completed from Kansas City to Virginia, Neb.

With several branch lines, of which he became vice president; later president and subsequently receiver. The property was purchased by Jay Gould and is now part of the Missouri Pacific system.

Acquired lines in Missouri. In 1892 Erb removed to New York. In 1896 he acquired control of the St. Louis, Cape Girardeau & Western Railroad and several small lines in Southeastern Missouri and Northwestern Arkansas.

Erbs mother died in St. Louis in 1915. Several relatives reside here.

"The Church and the Family." The Rev. Albert Muntach, S. J., professor of sociology at St. Louis University, will speak on "The Church and the Family" at the Church of Our Lady of Perpetual Help, Twentieth and Linton street, at 3:30 tonight. It will be the fourth lecture of the series, "The Church and Modern Society."

RUTLEDGE FUNERAL HELD TODAY

He Rose From Office Boy to Presidency of the St. Louis Real Estate Exchange.

Funeral services for Robert Rutledge, whose death Monday evening closed a career of 51 years in the local real estate business, were held at 3 p. m. today from a chapel at 3621 Olive street to Bellefontaine Cemetery. Rutledge was 68 years old and resided at 5728 McPherson avenue.

He had been ill most of the winter, but had remained in active charge of his real estate offices at 808 Chestnut street as long as his condition allowed him to go down town. The story of his career sketches a rise from the position of office boy to that of president of the St. Louis Real Estate Exchange.

Rutledge came to St. Louis from his birthplace in California 53 years ago. Two years later he went to work for the Porter & Co. real estate concern as office boy. Within a few years he was a partner in the firm. In time others went out of the concern, but he remained as senior partner in the firm of Rutledge & Kilpatrick. After the death of Kilpatrick in 1918 he opened his present offices alone.

Rutledge & Kilpatrick were agents in 1908 in a \$20,000,000 deal for a syndicate of Eastern financiers to acquire the property of a San Francisco firm which virtually controlled the cattle industry of a trip West to get the option on that property. Among his local transactions, he was interested in arranging finances for erection of the Chemical Building and the In-chase of the C. H. & D. Railroad and that property was combined with the Pere Marquette. The same year he formed a syndicate and acquired control of the Wisconsin Central Railway Co., but retired from the syndicate, and in 1908 came into control of that property, selling it in 1909 to the Minneapolis, St. Paul & Sault Ste. Marie Railway Co.

In 1909 Erb acquired an interest in the Ann Arbor Railroad Co. When in 1915, Erb was near death from two poison tablets taken by mistake to cure a headache, railroad stocks and bonds fluctuated to the extent of millions as bulletins giving his condition were issued. In 1904, while Erb was traveling by rail to St. Louis with his wife, the train was wrecked and his wife was killed. He escaped uninjured.

JULIUS ROSENWALD GIVES \$1,000,000 TO CHICAGO U.

Head of Sears, Roebuck & Co. Contributes to \$17,500,000 Fund Sought in Drive.

Special to the Post-Dispatch. CHICAGO, March 25.—Announcement of a gift of \$1,000,000 to the University of Chicago from Julius Rosenwald, head of the firm of Sears, Roebuck & Co. and a trustee of the university, was made at a dinner of university alumni last night. The gift is the largest preliminary contribution to the campaign of the university to raise \$17,500,000 for new buildings and endowment of instruction and research, which officially opened yesterday in every State in the Union.

Rosenwald, whose philanthropies in educational projects embrace many institutions, hitherto made substantial contributions to the University of Chicago. Rosenwald Hall, named after him and built from funds donated by him, is the university's department of geology and geography.

Other preliminary contributions to the campaign totaling nearly \$4,000,000 were announced, giving almost \$5,000,000 as a start toward the goal.

LOAN FUND FOR MUSICIANS

A loan fund for young musicians who wish to study for musical careers has been established by the Morning Choral Club, and loans may be obtained for five years by either young men or women. The fund has been accumulating for several years, and will be augmented by a benefit to be given Friday evening and Saturday matinee in the Wednesday Club Auditorium, when "Chimelma," a play by Mr. and Mrs. Daniel A. Ruebel, will be presented. Tickets for the benefit may be obtained from Mrs. E. N. Birge, 19 Winemere place.

Mrs. Hector Pazmesez will have the role of Chimelma and Mrs. Esmeralda Berry Mayes that of the Keeper of the Dictionary.

EDITOR'S MOTHER DIES AT 82

Mrs. Julia Pfeiffer of Allenton, Mo., to Be Buried Tomorrow.

The funeral of Mrs. Julia Pfeiffer of Allenton, Mo., who died Monday at the age of 82 at the home of her daughter, Mrs. Clara H. Wilder, 604 Pershing avenue, will be held tomorrow afternoon from a funeral parlor at 3710 North Grand boulevard with interment in Bellefontaine Cemetery.

Mrs. Pfeiffer was the widow of Henry Pfeiffer, a pioneer tacker of St. Louis, who died in 1897. A son, William Pfeiffer, is editor of the Play and Amusement in America, St. Louis County Leader.

Y. M. C. A. Officer to Speak.

L. C. Haworth, executive secretary of the Y. M. C. A., will speak tonight at the Second Presbyterian Church, Taylor avenue and Westminster place, on "What About William Pfeiffer, is editor of the Play and Amusement in America?" St. Louis County Leader.

FUNERAL SERVICES TODAY FOR CHANCELLOR HALL

All Activities at Washington University Suspended in Honor of Educator.

All activities of Washington University were suspended today in honor of Chancellor Emeritus Frederic Aldin Hall, for whom funeral services will be held this afternoon at his home, 5846 Julian avenue. There will be no evening classes tonight.

The services this afternoon will be attended by members of the family alone. Public memorial services will be held at 4:30 p. m. Sunday in Pilgrim Congregational Church. The church, the University and Drury College, of which Dr. Hall had been dean, will take part. Interment will take place tomorrow morning at Springfield, Mo., where Drury College is situated.

Dr. Hall, who was eminently known as a scholar of the first magnitude, retired from the active chancellorship in 1923. He died yesterday morning of bronchial pneumonia after an illness of 10 days. Supporting himself from the age of 12, he made a mark for scholarship at Drury, where he obtained A. B., A. M. and Litt. D. degrees, and later was recognized with degrees by several other schools. He was the author of distinguished works on the Odyssey, the Orestean trilogy and Iphigenia.

500,000-WORD NOVEL TELLS OF JAPANESE PRINCE'S AMOURS

Correspondence of the Post-Dispatch. LONDON, March 7.—The first volume of an ancient Japanese novel, written by a woman named Murasaki in A. D. 1004, has just been translated by Arthur Waley of the British Museum prints and drawing department. The novel consists of 500,000 words and is said to be one of the great novels of the world, and the earliest long novel in any language. It has 800 characters, who have passed into legend, and the story tells of the love affairs of Genji, a son of the Emperor.

Waley commenced the first volume last March and hopes to finish translating a volume a year for the next five years, when the work will be complete.

GULF AND ATLANTIC PORTS ON PARITY

Rate Change, It Is Predicted,
Will Increase Middle West
Shipments Through South.

By the Associated Press.
WASHINGTON, March 25.—The
South Atlantic and Gulf ports have
won their long fight for parity in
ocean freight rates with North At-
lantic ports.

The United States Shipping
Board yesterday formally placed
them on this parity by approving
a resolution recently adopted by
the Gulf Shipping and South At-
lantic Steamship conferences call-
ing for elimination of the differ-
entials that had existed against
them in favor of North Atlantic
ports on commodities originating
for ocean shipment in competitive
territory.

The differential against Gulf
ports has amounted to 15 cents a
hundred pounds, and against South
Atlantic ports to 7 1/2 cents. An in-
creased movement of freight from
South Atlantic and Gulf ports is
foreseen by Shipping Board of-
ficials as a result of the ruling.

Shippers in Central Freight As-
sociation territory, comprising
roughly the middle west, hereto-
fore have found it cheaper to send
their products to New York and
other North Atlantic ports by rail
for trans-shipment to foreign des-
tinations. It has been charged
that facilities in some of these
ports often have been inadequate
to insure prompt movement, and
the shipper, in order to get relief,
would have to pay the higher rate
to ship through South Atlantic or
Gulf ports.

Under the new schedule, a great
amount of commodities which
previously moved through the
North Atlantic ports from Chicago
and adjacent territories, will now
go directly through New Orleans
and other Gulf or South Atlantic
ports.

"Great Victory for Interior Ex-
porters" Says Rail Official.

By the Associated Press.
LOUISVILLE, Ky., March 25.—
R. L. McKellar, foreign freight
traffic manager of the Southern
Railway system, in commenting
on the Shipping Board's decision
today which abolished differentials
between South Atlantic and
Gulf Port ocean freight rates with
northern ports said:

"It is the greatest victory won
in behalf of interior exporters in
recent years and emancipates
Southern ports."

The board's decision, he said,
will enable interior exporters to
utilize all ports from Galveston
around to Montreal.

GETS YEAR FOR CARRYING COMBINATION KNIFE-PISTOL

Negro Had Been Arrested in 1923
but Jumped Bond—\$500 Fine

Also Accused

J. Van Wilson, a negro, 47 years
old, was given a year in jail and a
\$500 fine by a jury in Circuit
Judge Ittner's court yesterday,
where he was tried for carrying a
concealed weapon—a combination
pistol and jackknife which a po-
liceman took from him at Twenty-
first and Pine streets, June 17,
1923.

The delay in Wilson's trial was
due to the fact that he jumped
his bond in October, 1923, and was
at liberty until six weeks ago, when
he was brought back from Arkan-
sas. He offered to plead guilty
then and pay a \$100 fine, but the
Circuit Attorney's office refused to
compromise at less than a six
months' jail sentence.

COAST GUARDSMEN MENACED

Vigilance Against Rum-Runners
Results in Threats of Death.

By the Associated Press.

WASHINGTON, March 25.—
Coast guardsmen, by their in-
creased vigilance against rum-
smuggling, are incurring an un-
popularity among the townsfolk at
points along the Atlantic Coast
that in a number of cases has been
carried to the point of a death
threat according to reports reach-
ing coast guards headquarters here.
The most recent of these notices
was received by Capt. Warner of
the Montauk Point, N. Y., sta-
tion. Under the words "please
watch your step—it's your turn
next," was a rudely sketched skull
and cross bones.

Especially in communities along
the New York and New Jersey
coasts, the coast guardsmen, ac-
cording to officials here, are be-
ing snubbed in stores and subject-
ed to various other forms of so-
cial boycott, and live in perpetual
fear of being mobbed.

CIRCUS MAN WEDS HUNTRESS

Bride Has Made Two Trips to Con-
go to Hunt Gorillas.

By the Associated Press.

NEW YORK, March 25.—Clyde
W. Ingalls, circus side show man-
ager and former husband of Lillian
Leitzel, well-known circus aerial
acrobat, has been married to Mrs.
Kathleen Sophie Suzanne Baines,
English huntress. The bride ar-
rived yesterday from Germany and
they were married at the municipal
building.

Mrs. Ingalls has made two trips
to the French Congo to hunt goril-
las. She was caretaker of the go-
rilla, John Daniel II, exhibited in
America last year. Her husband,
Henry Parkyn Bridge Baines, a
Canadian merchant, was killed in
the war. This is Mr. Ingalls' third
marriage.

EUROPE'S FINEST FABRICS IN HART SCHAFFNER & MARX CLOTHES

THEY certainly weave beautiful woollens over in
England and Scotland. The art is handed down
from father to son—it has been for generations

Fabrics from such mills have always been a great
feature with Hart Schaffner & Marx; they have used
them in large quantities. Because of the increasing
demand for better clothes they have established
resident buyers over there who search out the best
looms and keep the new things coming here in a
continuous stream; new weaves, new patterns, new
colorings. No one imports more of these fine goods
than they do

There are the lustrous Arundel worsteds so sought
after by exclusive tailors; the soft Cawdor Saxons
famous for their drape; sturdy Dunmorlin tweeds
for golf suits and the Four Winds topcoat. Those
are only a few. There are many others; all of them
good—as good as the style and tailoring Hart
Schaffner & Marx put into their clothes

You are going to hear regularly about the new
fabrics and styles Hart Schaffner & Marx are creat-
ing. Soon there will be an important announcement
about a new development in color. Watch for it

PART THREE.

STORM VICTIMS FIND LITTLE JOY IN GIFT DOLLS

Survivors of Murphys-
boro Tornado, in Hospi-
tal Here, Still Bewildered
by Their Experiences.

BOY NEAR YOUNG SISTER HE SAVED

Injured After Carrying Her
From Building in Clothes
Basket—They Tell of
Experiences.

Leon Wagner, 16 years old, who
suffering from a double fracture
of the right arm, lies on a bed at
St. Louis Children's Hospital.
He is one of a group of 11 survivors from
the tornado at Murphysboro. Occa-
sionally he smiles wanly, but his
face often takes on a tense, wor-
ried expression, for only a few feet
away from his bed is the crib hold-
ing his 4-year-old sister, Evyonne.
He is restless and feverish under
the burden of a fractured leg and
injured head. "Leon" water," she calls. But
there are times when she is not
nervous, and then brother and sis-
ter hold a conversation. It is a
short one.

"Leon," she whispers.
And when he asks her what she
wants, she answers, simply "Hel-
lo." Sometimes she says, "My
head hurts, Leon," and once she
look him into her confidence by
saying, "That storm broke my leg,
Leon."

Carried Her in Basket.
She has good reason to love her
brother. If it had not been for
him they might not be able even
to share the same hospital room
together. When the tornado
struck, Leon was in his father's
store on North Seventh street.
Their home adjoined the store.
Just before the full force of
the wind was felt, Leon heard his
mother and sister cry out. He
rushed out of the store into the
street, and, with great presence of
mind, picked up Evyonne and car-
ried her into a clothes closet.

Then there was a terrible crash-
ing. A few minutes later he was
carrying his sister about in his
arms, trying to find a doctor.
Evyonne was hurt, and Leon for-
gotten about the sharp pains in his
arm looking for help for her. Their
father, John J. Wagner, was killed,
and Mrs. Wagner injured.

Despite the spring sun, Leon
has one of the best in that illu-
minous group able to smile at all. It may be
that they were still bewildered by
the memory of dreadful things but,
whatever the cause, their faces
were apathetic and marked with
suffering.

It will be many days before
some of them smile, and if little
Leon and Lorraine "he" ever smile
again it will be only because the
evidence of man was able to repair
the damage of careless nature. The
doctors say that Lorraine has little
chance to recover, and after seeing
her torn about deftly in her
crib, one is forced to concede that
the odds are strongly against her.
It is plain that little bodies were not
made to be buffeted by the winds.
She is suffering from many in-
juries, including a fractured skull.
Her mother was killed in the storm,
and her little brother, Eugene, 18
months old, was hurt.

Yesterday some of the girls were
given dolls, the gift of Miss E.
Schuch of 4354 Lindele boulevard.
The pretty manikins were val-
uedly welcomed, but there was
none of those delighted responses
characteristic of children. Maggie
Bailey's tight hold on her dolls,
the new one and an old one, is the
only indication that she is not en-
tirely indifferent. If you ask her if
she likes her dolls, she does not
answer. With head bandaged and
doll in either arm, she sits and
stares vacantly. There is only a
faint possibility that she is wonder-
ing about the top of Wilbur Pier-
ce's injured head, the only part of
him visible above the bandages
and bed covers. He lies asleep, on
a stupor, oblivious of the brown
clouds that bear at the foot of the bed.

Her Doll Says "Mummy."
Bertha Stivers, 4 years old, can-
not sit up, because her spine was
injured, but there is a faint trace
of a smile when she answers that
she likes her new doll. "The it
looks like my mummy," she con-
fesses. Her own "mummy" is in
St. Louis hospital, a vic-
tim of the tornado.

On the crib of Helen "Willen," 4
years old, the new doll lies un-
touched. Helen sits up and fingers
which some nurse gave
her week by a black ribbon.
It is the only thing that keeps
her from falling asleep. From
the strange toy, among the
of her bedding, for Helen has
been in her forehead, and the
she covers her eyes, she can-

TORM VICTIMS
AND LITTLE JOY
IN GIFT DOLLS

Survivors of Murphysboro Tornado, in Hospital Here, Still Bewildered by Their Experiences.

JOY NEAR YOUNG
SISTER HE SAVED

Injured After Carrying Her From Building in Clothes Basket—They Tell of Experiences.

Leon Wagner, 16 years old, who is suffering from a double fracture of the right arm, lies on a bed at the St. Louis Children's Hospital, one of a group of 11 survivors from the tornado at Murphysboro. Occasionally he smiles wanly, but his face often takes on a tense, worried expression, for only a few feet away from his bed is the crib holding his 4-year-old sister, Eyvonne, who is restless and feverish under the burden of a fractured leg and an injured head.

"Leon, water," she calls. But there are times when she is not so cheerful, and then brother and sister hold a conversation. It is a short one.

"Leon," she whispers, "and when he asks her what she wants she answers, simply 'Hel-'. Sometimes she says, 'My head hurts, Leon,' and once she took him into her confidence by saying, 'That storm broke my leg, Leon.'"

Carried Her in Basket.
She has good reason to love her brother. If it had not been for him they might not be able even to share the same hospital room together. When the tornado struck, Leon was in his father's grocery on North Seventh street. His name adjoined the store, but before the full force of the wind was felt, Leon heard his mother and sister cry out. He dashed out of the store into the house and, with great presence of mind, picked up Eyvonne and carried her into a clothes closet.

Then there was a terrible crash. A few minutes later he was carrying his sister about in his arms, trying to find a doctor. Eyvonne was hurt, and Leon forgot about the sharp pains in his arm looking for help for her. Her mother, John J. Wagner, was killed, and Mrs. Wagner injured.

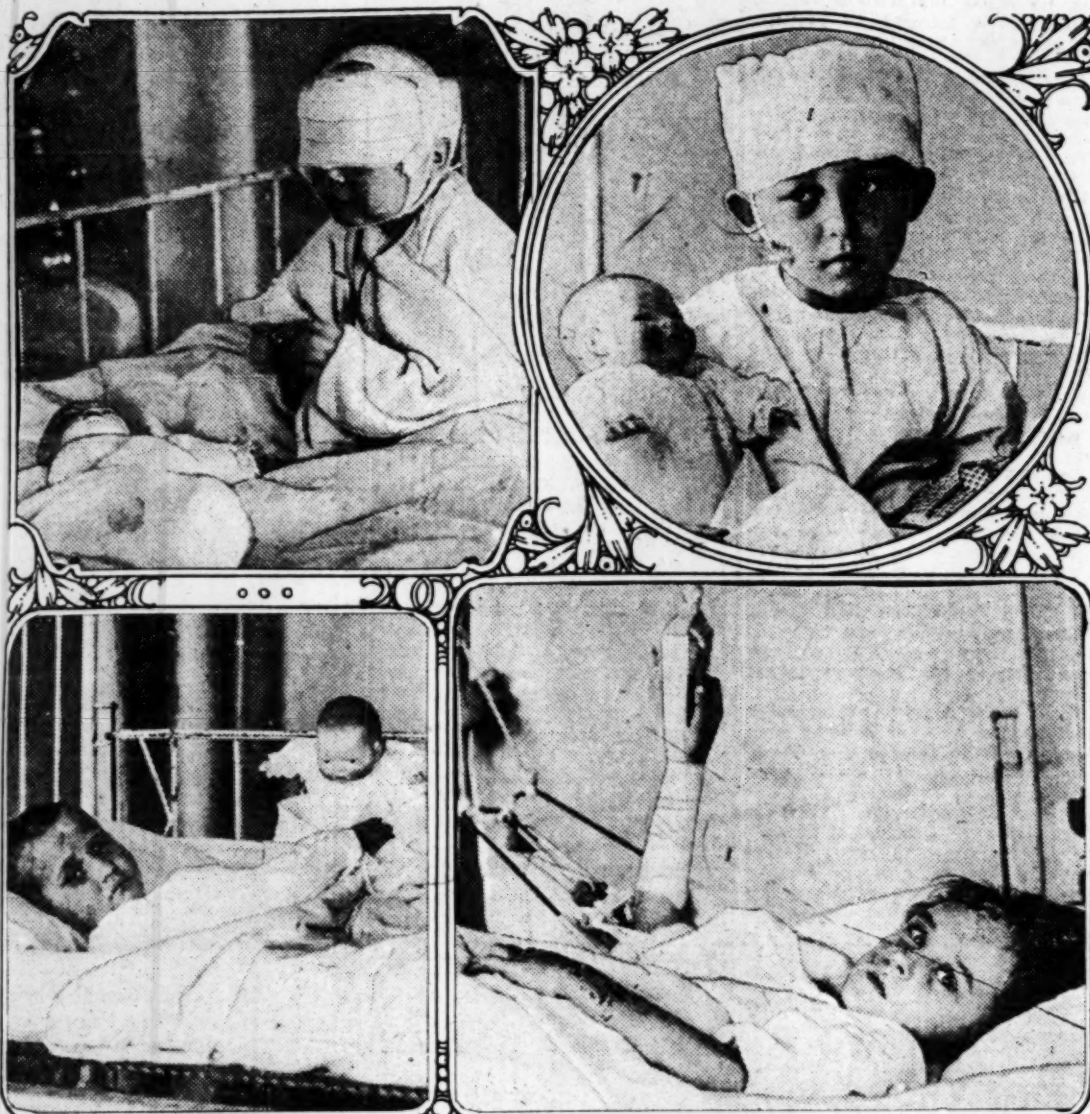

Despite the spring sunshin, Leon was one of the few in that little group able to smile at all. It may be that they were still bewildered by the memory of dreadful things but, whatever the cause, their faces were apathetic and marked with suffering.

It will be many days before some of them smile, and if little Eyvonne is to ever smile again it will be only because the science of man was able to repair the damage of careless nature. The doctors say that Eyvonne has little chance to recover and, after seeing her lie about desperately in her bed, one is forced to concede that the odds are strongly against her. It is plain that little bodies were not made to be buffeted by the winds. She is suffering from many injuries, including a fractured skull. Her mother was killed in the storm, and her little brother, Eugene, 18 months old, was hurt.

Yesterday some of the girls were given dolls, the gift of Miss E. Pachen of 4954 Lincoln boulevard. The pretty mannikins were warmly welcomed, but there was one of those delighted responses characteristic of children. Maggie Dailey's tight hold on her doll, the new one and an old one, is the only indication that she is not entirely indifferent. If you ask her if she likes her doll, she does not answer. With had bandaged and doll in either arm, she sits and stares vacantly. There is only a faint possibility that she is wondering about the top of Wilbur Pierce's injured head, the only part of him visible above the bandages and bed covers. He lies asleep, or is a snorer, oblivious of the brown body lying at the foot of the bed.

Her Doll Says "Mammy."
Bertha Stivers, 6 years old, cannot sit up because her spine was injured, but there is a faint trace of a smile when she answers that she likes her new doll. "I like it because it says 'Mammy,'" she confesses. Her own "mammy" is in the St. Louis hospital, a victim of the tornado.

Child Survivors of Tornado at Hospital Here

FOUR of the group of eleven children, survivors of the Tornado at Murphysboro, who have been brought to the St. Louis Children's Hospital for treatment. At the upper left is Helen Wilson, 4, who cannot see her new doll because her eyes are covered with bandages. She is playing with a watch which one of the nurses gave her. At the upper right is Maggie Dailey, 8, who holds her two dolls, but never smiles. She is suffering from a fractured skull. Lower left is Bertha Stivers, 6, likes her doll because it says "Mammy". Bertha has an injured spine and her mother is also in a hospital. At the lower right is Juanita Huppert, 5, willing to smile and chat in spite of a broken arm. Her mother and sister were killed in the tornado.

not see her new doll, so instead she plays with the watch, turning it over and over in her hands.
Five-year-old Juanita Huppert, whose arm was fractured, is least reticent in expressing her approval of her doll, which she has already christened "Virginia." Juanita was at the Longfellow School when the disaster overtook Murphysboro. "I was painting a picture of an Eskimo boy when it happened," she explained. "A man stepped on me, and when I hollered they took me out."

She smiles readily when the nurse carries her or someone says a kind word. Perhaps she does not know that the same wind which strangely brought her to a St. Louis hospital also carried her mother and sister far beyond the reach of caresses or kind words. Perhaps she would not understand.

Miners to Give Part of Wages for Storm Relief.
HARRISBURG, Pa., March 25.—Three hundred coal miners employed at No. 1 mine of the Washington Coal Co. will give 10 per cent of their wages today and the company is to give 15 cents on each ton of coal produced to the Tornado Relief Committee. This will net about \$1000.

Gov. Small Signs Bill for Half Million for Storm Relief.
SPRINGFIELD, Ill., March 25.—One-half million dollars for the relief of the tornado-stricken areas of Illinois became available for use this afternoon when Gov. Len Small affixed his signature to Senate Bill 242. The House passed it unanimously shortly before noon.

N. C. Woman Would Be Governor.
WASHINGTON, March 25.—North Carolina, for the first time, will have a woman candidate for Governor in 1928. Miss Julia Alexander, Charlotte lawyer, and member of the State General Assembly, announced today her intention to run for the Democratic nomination in that year. The prospective candidate is the second woman to be elected to the Legislature in this State.

Kennedy Gets Leave of Absence.
WASHINGTON, March 25.—Lieut. Frank E. Kennedy, recently brought here from the Napa State Hospital for the Insane in California, has been granted a month's leave from the naval hospital to visit relatives in Cleveland. The action was taken, it was indicated, on the belief of medical and high Navy Department officials that being with his family might restore his health.

FOUR MISSING PERSONS ARE
BEING SOUGHT IN ST. LOUIS

Relatives Seek R. T. Owens, Daniel McGady, Mr. Raymond and Ernest Telford.
Richard T. Owens, who disappeared 27 years ago while the family home was in Grand Haven, Mich., is being sought by policewomen in St. Louis at the request of a sister, Mrs. Ellen McGee of Chicago, who says there is an estate to be settled and his presence is required. McGady at one time lived on South Thirtieth street, the letter says.

Daniel McGady, who is described as having lived in St. Louis for 40 years, is being sought at the request of a sister, Mrs. Ellen McGee of Chicago, who says there is an estate to be settled and his presence is required. McGady at one time lived on South Thirtieth street, the letter says.

Mr. Raymond, described as having "come to St. Louis from Germany in January last," is being sought by policewomen at the request of Ernest Marquardt of Newark, O., who says "it is important that I locate him." Raymond came from Villigen, Baden, and is supposed to have gone to live with

family on "Purnell street," the letter from Marquardt says. "Please come to me while I still am able to talk to you," writes Mrs. Mae Norton of Indianapolis, Ind., in a letter sent policewomen here to be given to her son, Ernest Telford, 16 years old, for whom a search is being made. A letter from Chief of Police Rikhoof of Indianapolis says Mrs. Norton is in a critical condition and not expected to survive. The boy disappeared from home Dec. 23 last and has not been heard from since. A reward of \$200 is offered for locating him.

ORRICK WARNS POLICE TO KEEP
THEIR HANDS FREE OF POLITICS
New Head of Board and Associates Confer With 18 Captains at Headquarters.
The necessity for keeping clear of politics was stressed by Allen C. Orrick, new president of the Board of Police Commissioners, at the "get-together" meeting held at Central Headquarters today with the city's 18 police captains.

Orrick said the members of the board must be nonpartisan. Police-men, he said, should do their duty as citizens and vote according to their preferences, but they must not attempt to assist in campaigning. The meeting lasted scarcely 20 minutes. Orrick informed the district captains that the board looked to them to perfect the police force of the city by maintaining discipline, insisting that the patrolmen keep their uniforms neat, and by fearlessly and vigorously making arrests without regard to a person's influence or supposed "pull."

"All persons are to be treated alike," he instructed them. "The board expects you to be courteous to citizens when it is necessary to make minor arrests, and in the cases of known criminals, do it vigorously and energetically."
At the close of the gathering Chief of Police Orrick introduced the captains to his board. Besides Orrick the three other commissioners, Dr. Frank L. Magoon, vice president; Arthur J. Fournier, narcotics member; and Henry Kort, John R. Thompson were present.

DISON CAPTAIN SCATTERED
Obiect of Police Was to Kill
The Police Animals.
BOSTON, March 25.—An area of more than 75 square miles in Middle Massachusetts has been seen with capsules containing deadly poison with danger to animal and even human life, several witnesses testified yesterday before a joint legislative committee at the Statehouse. Wild and domestic animals and birds have been destroyed in large numbers, these witnesses said. The capsules were scattered by persons who wished to kill fur-bearing animals.
The committee voted to report to the Legislature a bill making the poisoning of animals punishable by jail sentences. James A. Peck, a Fish and Game Warden, said he had arrested two men on March 21, after catching one of them placing the capsules. The men were given fines and later left the State.

WOMAN SENTENCED TO SIX
MONTHS ON DRY ACT CHARGE

"I want to go to jail right away and start serving my time, so that I will be at liberty as soon as possible to marry an American who has asked me to become his wife," said Miss Theresa Seim, 34 years old, when she was sentenced to six months in jail by Judge Perrin, in the County Court at Belleville yesterday, on a plea of guilty to violating the prohibition law. She refused to give the name of her fiancé.
Miss Seim was arrested March

IDENTIFY TEETH TAKEN FROM MYSTERY GRAVE

Niece of Missing Woman and
Dentist Testify at Tennes-
see Murder Trial.

Special to the Post-Dispatch.

CHATTANOOGA, Tenn., March 23.—Proceeding slowly in the trial of W. H. Bennett and his wife, Mae Bennett, accused of killing Miss Augusta Hoffman, aged modiste, and Bennett's aunt, the State today continued the spinning of its web of circumstantial evidence.

Mrs. Effie Buck, grandniece of Miss Hoffman, and Dr. A. S. Green, head of the Chattanooga Dental Laboratories, were placed on the stand yesterday.

Mrs. Buck, a daughter of Mrs. Annie C. Wright of Richmond, Va., testified that the upper plate of false teeth, taken from the mystery grave beneath the Bennetts' former home here, were the property of Miss Hoffman.

"These teeth were my Aunt Augusta's," said Mrs. Buck. "I have seen them lots of times, and I have they were hers." Dr. Green, a dentist with 17 years' experience, examined the teeth, fitted them to the upper jaw of the skull taken from the grave and stated unequivocally that the teeth had been made for that jaw.

"Anybody can see," said Dr. Green, "showing the jury how and why he had reached his conclusion, that these teeth were made for this mouth."

A romance that budded but never bloomed in the lonely life of Miss Augusta Hoffman's later years was raked out of the ashes of the dead past and out of the ashes that covered her body in the basement of the "mystery house," where the body was found through investigations put to several wit-

nesses on cross-examination by the State.

Bennett, now a railway officer at Rome, Ga., was given a leave of absence by his employers to fight the charges here, which grew out of the finding of a skeleton under a house here once occupied by the Bennetts. Two physicians were positive in their testimony yesterday that the skeleton which is in court was once a part of a woman's body, that of an adult. Miss Hoffman disappeared in February, 1915.

Loeb Estate \$2,000,000.

CHICAGO, March 23.—Albert H. Loeb, deceased father of Richard Loeb, who, with Nathan Leopold Jr., was sentenced to life imprisonment for the murder of young Bobby Franks, left assets of approximately \$2,000,000, according to an inventory of his estate filed in Probate Court here.

"GET" COLDS QUICK! DON'T WAIT FOR CHILLS

When you feel a cold beginning, take hot lemonade. Then go straight to bed, under warm covers. You'll perspire, but in nine cases out of ten the cold will go. In the morning there won't be a trace.

Millions profit in untold ways by this measure of prevention.

If you are sneezing, if you ache, take hot lemonade tonight, and cheat the cold. It's the cheapest, simplest, surest, safest way.

Just squeeze the juice of a California lemon in glass or cup of hot water. The effectiveness of hot lemonade is due to more than its heat. Add sugar if you wish.

Ask for California lemons, the tart, juicy, practically seedless kind. They make the most effective lemonade for colds.—Adv.

DEPUTY FOUND DEAD, AUTO AND TWO PRISONERS GONE

By the Associated Press.

CHICKASHA, Ok., March 23.—J. A. Sewell, Deputy Sheriff of Tulsa County, was found dead by the side of a road several miles south of here early today. Two prisoners whom he was taking by motor car to the State Reformatory at Granite were gone with the car. A posse from the office of Sheriff Dr. Arthur Wilson is hunting the escaped prisoners.

EASY TO DARKEN YOUR GRAY HAIR

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the ingredients called "Wyeth's Sage and Sulphur Compound."

You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.

HEIR TO ITALIAN THRONE TO ATTEND WAR SCHOOL 3 YEARS

Crown Prince Humbert Will Lead
Comparatively Simple Ex-
istence at Turin.

Correspondence of the Associated Press.

TURIN, March 23.—The real-
dents of Turin, the capital of old
Piedmont, which is bound by so
many ties of history and affection
to the House of Savoy, of which
King Victor Emmanuel is present
head, are awaiting with pleasure
able expectation the arrival here in
the near future of Crown Prince
Humbert, who is to make Turin
his home for several years while
he studies at the War School.

Workmen are busying them-
selves with the task of preparing
the Prince's apartment in the royal
palace, while committees are ar-
ranging to welcome the heir to the
throne of Italy.

Humbert's matriculation in the
War School will be most regular,
and he will benefit by no special
dispensations for royalty. He will
submit to the rigid discipline of
the institution and will attend all
the classes with the other students.
He will have a modest personal al-
lowance and will lead a relatively
simple existence. Already he has
chosen as his "court" a number of
persons who have attended him
since he was a child.

The young Prince, who is an
ardent student of the history of
Piedmont, has arranged a number
of excursions to the many famous
castles of the region, which will be
facilitated by the fact that he will
have at his disposal two motor cars
and a number of horses.

Poland to Exchange Prisoners.

By the Associated Press.

WARSAW, March 23.—The Gov-
ernment has agreed to exchange
the two former Polish officers,
Baginski and Wlczokiewicz, now
held political prisoners here, for
two Poles condemned to death by
the Soviets. Baginski and Wlczok-
iewicz were sentenced to death
early last year on charges of be-
longing to terrorist organizations

How to Make Pine Cough Syrup at Home

Has no equal for prompt results.
Takes but a moment to prepare,
and saves you about \$2.

Pine is used in nearly all prescrip-
tions and remedies for coughs. The
reason is that pine contains several
elements that have a remarkable
effect in soothing and healing the
membranes of the throat and chest.

Pine cough syrups are combinations
of pine and syrup. The "syrup"
part is usually plain sugar-syrup.
To make the best pine cough reme-
dy that money can buy, put 2½
ounces of Pinex in a pint bottle, and
fill up with home-made sugar syrup.
Or you can use clarified molasses,
honey, or corn syrup, instead of sugar
syrup. Either way, you make a full
pint—more than you can buy ready-
made for three times the money. It
is pure, good and tastes very pleas-
ant.

You can feel this take hold of a
cough or cold in a way that means
business. The cough may be dry,
hoarse and tight, or may be persist-
ently loose from the formation of
phlegm. The cause is the same—in-
flamed membranes—and this Pinex
and Syrup combination will stop it
usually in 24 hours or less. Splen-
did, too, for bronchial asthma,
hoarseness, or any ordinary throat
ailment.

Pinex is a highly concentrated
compound of genuine Norway pine
extract, and is famous the world
over for its prompt effect upon
coughs.

Beware of substitutes. Ask your
druggist for "2½ ounces of Pinex"
with directions, and don't accept
anything else. Guaranteed to give
absolute satisfaction or money re-
funded. The Pinex Co., Ft. Wayne,
Ind.

Polarine

THE PERFECT MOTOR OIL

Made in Six Grades

Insures the Life of Your Motor

The quality of the crude oils used in man-
ufacturing a lubricating oil is exceedingly important
in assuring lubricating efficiency.

Polarine is manufactured from selected refined
base crudes, so combined as to give a high flash
point and a low cold test. It meets the exact-
ing S. A. E. specifications.

Polarine has the right flash test—high enough to
assure an oil which will not evaporate from the
cylinder walls and bearings when the normal en-
gine heat develops—and low enough to burn
when it enters the combustion chamber.

Polarine correctly lubricates all frictional sur-
faces. Polarine resists heat and wear. Polarine
has the right cold test.

The viscosity of each grade of Polarine conforms
exactly to the conditions it is designed to meet.

Polarine is manufactured scientifically and with
chemical accuracy, to maintain an unbroken
film of oil between frictional surfaces in all
engines, regardless of weather, season or work-
ing conditions.

Polarine is made in six grades. It gives complete
satisfaction in all types and makes of automobile
engines.

Based upon our intimate knowledge of the sci-
entific constitution of Polarine, we assert, confidently,
that Polarine will lengthen the life of your engine
and pay royal dividends in the form of repair
costs saved. It is the best life insurance your
motor can have.

Fill up with Polarine; then, drain your crankcase
every 500 miles and refill with the correct grade
of Polarine. That is true economy. There is a
grade for your car. See chart.

SUNDAY MOVIE PLAN

DISTURBS KIRKWOOD

Three of Six Ministers Join in Movement to Prevent Benefit Performance.

A miniature storm seems to have been started in Kirkwood as the result of an announcement by a local movie theater of a performance next Sunday for the benefit of the sufferers in the tornado-stricken district. It appeared yesterday when three of Kirkwood's six ministers gathered at the First Presbyterian Church and discussed ways and means of heading off the Sunday show.

It was the sense of the meeting that Sunday movies in Kirkwood must not be, although those present approved heartily of the purpose of the project. A committee was appointed to wait on the owners of the theater and try to arrange things amicably, or plan being to lay aside a certain percentage of the house's daily receipts for a week with the women of the churches, helping to swell the attendance. But the proprietors of the theater last night refused to hear of any postponement.

A City of Homes and Quiet.

Kirkwood, it was pointed out at the meeting, is a city of homes and people go there to seek quiet and rest. But this was not the chief objection to the Sunday performance. The Rev. J. C. Berger, pastor of the church where the meeting took place, declared that in his opinion it would be wrong to have the performance on Sunday, and those present agreed with him.

Dan H. Mullen, architect and half owner of the show, said: "All some of the people in Kirkwood want to do is sleep. It would be all right if they just wanted to sleep themselves, but they want everyone else to do so. There's a principle involved here concerning personal liberty and I intend to see it through. The show will be put on."

Webster Groves Had Fight.

It was pointed out at the meeting that some time ago Webster Groves was torn asunder by a long fight against Sunday movies, with the result that they were prohibited by ordinance. The same thing can happen in Kirkwood, it was said at yesterday's meeting, if the occasion should demand.

Saturday night, at the city hall, morality candidates will be given an opportunity of stating their platform to a public gathering. Unless the projected Sunday performance is stopped, several of those at the church meeting said they would carry it to the city hall gathering. The election will take place April 7.

PICTURE OF STORM VICTIM

IS BLOWN 50 MILES

Special to the Post-Dispatch.

McLEANSBORO, Ill., March 25.—A picture received here from Bone Gap, Ill., 50 miles from this city, where it had been picked up by a resident. The photograph was of Miss Ollie Johnson who was killed when her home, seven miles south of here, was swept away by the storm. The last seen of the picture it was on the mantel in Miss Johnson's home.

Relief work in this city is now going along smoothly, all patients apparently being out of danger, although many are seriously injured. Many truck loads of foodstuffs have been received here during the last two days.

All homeless and destitute families in Hamilton County have been placed on rations which will be renewed at three-day intervals until permanent relief can be given.

Plans for rehabilitation work in the stricken community south of this city are still in the embryo. Nothing definite will be undertaken along this line until next week when a survey will be made by the national disaster clean-up squad.

SLASHES MAN HE FINDS

VISITING WIFE AT HOSPITAL

Husband Attacks Friend of Family With Pocket Knife and Then Flees.

A friend of the family who was visiting Mrs. Viola Trilch, 23 years old, of 2462 De Kalb street, a patient in the women's ward of the city hospital last night, was slashed on the hand and abdomen when her husband happened to drop in.

The husband, William Trilch, 41, lives on Price road near Clayton. The friend, Alex Parkhurst, 41, of 2524 North Ninth street, greeted him civilly when he came up to his wife's bed, but something seemed to be preying on his mind. When he opened a pocket knife, his wife precipitously chose a location on the opposite side of some hospital furniture, but Parkhurst wasn't so fast on his feet.

Trilch made a few slashes and departed. The police have not seen him yet. Parkhurst was startled and went home. Both he and Mrs. Trilch said Parkhurst was just a friend of the family.

TRIPS FOR THE LOS ANGELES

Airship to Fly to Porto Rico or Cuba After One to Bermuda.

WASHINGTON, March 25.—The airship Los Angeles will make a trip to Porto Rico or Cuba after a second flight to Bermuda, now planned for April 12 or 13.

Plans announced today at the Navy Department call for the dirigible on the second flight to Bermuda to moor at the mast of the tender Patoka, a fact which she was unable to accomplish on a trip there last month because of weather conditions.

Married Woman Eats Only Bread And Milk

Everything Else Causes Gas On Stomach

"I had no faith but am glad now I tried Adierka. I have taken only one-half bottle and can eat anything now without causing gas. Before I could eat nothing but bread and milk everything else caused gas. Since taking Adierka I enjoy eating." (Signed) Mrs. J. B. Man.

Intestinal Evacuant
There is now offered to the public a liquid preparation which is not only a wonderfully effective and QUICK intestinal evacuant, but which also acts to stimulate the glands of the intestinal tract and to cause expulsion of toxins (GAS). This preparation, known as Adierka, is a valuable agent for the purpose of cleansing the bowels of matter which has been in the system a long time and which other less effective means have been unable to dislodge. It is often astonishing the great amount of matter Adierka draws from the intestinal tract—even right after a natural movement. It sometimes brings out unsuspected quantities of additional matter. Many times it brings out much GAS, thus relieving pressure in the abdomen. Adierka is especially valuable when PROMPT action is necessary or to encourage the elimination of metabolic poisons through the bowels.

In all such disorders such as occasional constipation or gas on the stomach and headache (when due to bowel inaction), a single amount of Adierka often produces surprising and gratifying results. In cases of obstinate constipation or stomach trouble, if Adierka does not bring relief in 24 to 36 hours the advice of a reputable physician should be secured.

Reports from Physicians
"I congratulate you on the good effect from Adierka, since it has prescribed it." (Signed) Dr. L. Lagenda.
"Adierka is the best in my entire 37 years' experience." (Signed) Dr. G. E. Key.
"I prescribed Adierka with highly satisfactory results." (Signed) Dr. A. O. C. (Name given on request.)
"I can't eat along without Adierka." (Signed) Dr. W. H. Bernhart.
"J. B. Puckett (a user of Adierka) writes: 'After taking Adierka I feel better than for 20 years. Haven't a headache or any other ailment since I began to use Adierka.'"
Adierka is a big surprise to people who have used only ordinary bowel and stomach medicines because of its REAL and QUICK action. Sold by leading druggists everywhere. "Big St. Louis by Wolf-Willam Drug Co. Adierka Drug Co. and other leading druggists."

POSILAM MAKES UGLY PIMPLES SIMPLY VANISH

Spread a little healing, CONCENTRATED Posilam over those unsightly pimples tonight. Ten to one they will be almost gone tomorrow morning. Just a few such simple treatments and your skin is clear, fresh and lovely. Posilam costs but 50c—at all druggists.

Children Cry for Fletcher's CASTORIA

MOTHER—Fletcher's Castoria is a pleasant, harmless substitute for Castor Oil. Purgative, Teething Drops and Soothing Syrups, especially prepared for Infants in arms and Children of all ages. It contains no narcotics.

To avoid imitations, always look for the signature of *Dr. H. H. Fletcher*. Proven directions on each package. Physicians everywhere recommend it.

PILES CURED WITHOUT THE KNIFE

Dr. C. MATTHEW COLE, Rectal Specialist, Office Hours, 10 to 12 P. M. 311 Olive St., St. Louis, Mo. Successor to Dr. M. S. Smith and W. F. Sunders, 10 to 12 P. M. 311 Olive St., St. Louis, Mo.

NO MORE CASTOR OIL FOR THE CHILDREN

Give Them Haley's Magnesia-Oil

Mother, there's an easy way now to correct that sour stomach, and to relieve the effect of something that has "disagreed" with the youngsters. Simply give them a teaspoonful or more of Haley's Magnesia-Oil.

It has no oily taste—can be mixed with milk and given children without their knowledge—and it's harmless. A big dose for emergencies is perfectly safe and promptly effective. There is no gripping or other unpleasant effect. Haley's Magnesia-Oil is simply milk of magnesia and mineral oil combined.

The oil carries the magnesia straight to the lower bowel, where most "stomach trouble" originates. The milk of magnesia neutralizes the acids and the mineral oil lubricates and aids nature quickly to remove the cause of the trouble. Both work together.

If your druggist doesn't supply Haley's Magnesia-Oil we will mail a bottle cost, paid the shipping of \$1.00. Large family size, \$1.00. The Haley M-O Company, Indianapolis, Ind.

SORE, TIRED FEET?

USE TURPENTINE
Turpentine is the common sense relief for foot aches and burning. It is used with Camphor and Menthol, all aching and burning feet, and the skin becomes cool and healthy. These three wonderful healing, soothing ingredients are combined in "TILP"—The Turpentine Liniment. Rub it on your feet. The relief is immediate. Turpentine is sold in 50c and 10c jars by all druggists.

AGAINST ARBITRATING DELMAR GRADE DISPUTE

City Officials Opposed to Latest Proposal of the Wabash Railway.

Arbitration of the Wabash Railway's proposal concerning the elimination of its grade crossing at Delmar boulevard and other West End grade crossings has not met with the favor of the city.

The proposal, as submitted at an open meeting in the Mayor's office, March 8, sought to make certain changes in the city's plan for the Delmar elimination and to establish principles and agreements concerning the other eliminations in the future, which, the city contends, are not involved in the Delmar question.

In an advertisement in yesterday's newspapers, signed by President J. E. Taussig, the Wabash proposed arbitration with the promise that it would abide by the decision of the arbiters and thereupon dismiss its appeal to the Supreme Court of the United States from the decision of the Supreme Court of Missouri, which had upheld the city's plan for the Delmar project.

Three Arbiters Suggested.
The railway suggested the names of the arbiters in the following paragraph of its advertisement:

"The Wabash management is willing to make one more effort to reach a settlement of this long-drawn-out controversy. Numerous interested citizens have requested that the matter be submitted to arbitration, and in order to avoid any further delay, I now propose that the differences arising upon the Wabash proposal submitted at the meeting held in the Mayor's office on the 8th inst. be submitted for determination to a nonpartisan board of arbiters composed of F. W. A. Vesper, formerly president of the Chamber of Commerce, and now chairman of the Grade Crossing Committee of that body, as representative of the city at large; Lon O. Hocker, a lawyer of distinction, a resident of one of the residential districts most directly affected and who gave testimony before the Public Service Commission on behalf of the city; and J. L. Harrop, Jefferson City, Mo., chief engineer of the Public Service Commission, with a broad experience in grade-separation work in Missouri and other states. I further agree to co-operate with the arbiters and the city officials in expediting the hearing before the arbiters and upon their determination of the matter, to join with the city in application to the Public Service Commission for an order making the award of the arbiters legally effective. And when this is accomplished, the Wabash will dismiss its appeal to the United States Supreme Court, and the work at the Delmar crossing can begin in earnest."

Position of Mayor Kiel.
Mayor Kiel and President Kinsey of the Board of Public Service, who had flatly rejected the compromise at the Mayor's office meeting, today declared they would not submit to arbitration as far as the Delmar question is concerned. Their position is that the Wabash has carried the matter to the highest court, although the city had received exactly what it wanted from the highest tribunal in Missouri, and that now the city will let the contention be settled in the court.

Discussing the arbitration offer over the telephone from his sick bed at home, Mayor Kiel said: "The city is willing to go as far as it can in the Wabash settlement, but we do not want to arbitrate about Delmar boulevard. We are willing to go along on any proposition elsewhere, except that we always insist on depression of the railroad tracks. I feel that Mr. Kinsey's position is correct and will let him handle the matter. I do not think the Wabash should be allowed to select the arbiters if any are chosen."

Statement of Kinsey.
President Kinsey issued the following statement: "It is important that no one be deceived by the efforts of the Wabash to muddy the waters. I want the people to know that the order of the Public Service Commission, which was upheld by the State Supreme Court, simply requires the Wabash to co-operate with the city in carrying the Delmar boulevard over the railroad tracks. The order doesn't require any change whatsoever in the railroad grade. No change in the railroad grade is feasible in less than four or five years."

The order does not state, and it is not necessary to determine now, how future work in the forest park shall be done and paid for, or what the grades shall be at De Baliviere avenue, Olive Street road or any other point north or south of Delmar boulevard. Discussion of these points now is premature and entirely unnecessary at this time. It serves only as a smoke screen to cover the real issues.

"Let the Wabash show its good faith in accepting the decision of the Supreme Court of this State, relating to Delmar boulevard, and city officials will be glad to settle, by arbitration or otherwise, the other questions relating to future work, but responsibility for delay at Delmar boulevard rests solely with the Wabash."

Vesper's Previous Efforts.
Vesper, a former president of the Chamber of Commerce, proposed by the Wabash as one of the arbiters, endeavored at a mass meeting at the Pershing Theater in July, 1923, and afterwards, to bring about a compromise between the city and the road.

Mayor Kiel will relinquish office shortly after the election of April 7. The president of the Board of Public Service is an appointee of the Mayor, as is the City Counselor. These are the chief officials dealing with the railway.

Dennistoun Jury Discharged.
By the Associated Press.
LONDON, March 25.—The jury in the sensational Dennistoun case which yesterday awarded \$5000 (\$25,000) to Mrs. Dorothy Muriel

Dennistoun from her former husband, was discharged today after Col. Dennistoun abandoned a counterclaim regarding some furniture. Counsel then began legal arguments on claims for judgment.

Is Blood Starvation Your Greatest Enemy?

Make These
Tests Yourself

Press firmly the
flesh between
hand and thumb.
Unless blood re-
turns at once,
it indicates
Anemia.

Squeeze the
thumbhead hard.
Unless it reddens
again instantly,
Anemia is in-
dicated.

MANY people—insurance statistics say eight out of ten—are suffering from Anemia—blood starvation—and don't know it. Are you one of this vast army?

The test above will tell you. Make it now as you read—and if Anemia is indicated, you owe it to yourself to try Gude's Pepto-Mangan.

Gude's Pepto-Mangan has proven itself to thousands of physicians and their patients for thirty-two years. Its iron and manganese content is easily and quickly assimilated by the blood and distributed to all the cells in the body, rebuilding their energy and strength. What it has done for these thousands, it will do for you.

Your druggist has Gude's Pepto-Mangan in liquid or tablet form. Start today.

Gude's Pepto-Mangan Tonic and Blood Enricher

A really dependable throat antiseptic

FORMAMINT is the only antiseptic of genuine germicidal power with which you can keep up your fight against throat germs—all day, wherever you are. As the tablets dissolve, they release one of the most powerful germicidal agents known to science, in a form that is perfectly safe. The result is an all-day-long antiseptic treatment that kills germs as the occasional and momentary action of a gargle never can do. Ask your druggist.

ernment and Politics, being con-
sidered under the auspices of
Washington University and the
League of Women Voters at Hotel

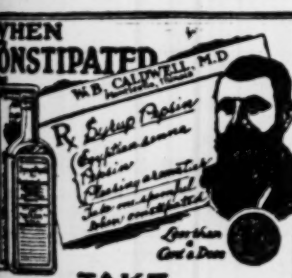

CONSTIPATION means SICKNESS

More human suffering, physical and mental, has resulted
from constipation than from any other source. The entire
future life of a child can be ruined by lack of attention
to the proper daily movement of the bowels. If the bowels
do not act at least twice daily it means constipation—
that means the bowels are clogged up with the accumu-
lated residue of five to fifteen meals or more with conse-
quent pollution, poison and disease.

Dr. Caldwell's SYRUP PEPSIN

The Family Laxative

—relieves constipation. It is a combination of Egyptian
senna, pepsin and aromatics prepared in liquid form, in-
viting to the taste, and smooth, pleasant and easy in its
action. It is the kind of a prescription a good doctor will
give you. Used nationally over 30 years.

Pleasing As Honey To Take!
Easy As Nature In Action!
For both baby and grandma. Syrup
Pepsin quickly brings relief to the most
severe cases of constipation and the
doctors may be gradually reduced as
Nature resumes her proper functions.
10,000,000 bottles used annually prove
its effectiveness.
It is sold everywhere where medicine is sold—
and guaranteed. Try it at our risk. Your
druggists will return your money if it fails
to do as promised.

NINE MEN, WHO TARRED WOMAN, ARE PAROLED FROM WORKHOUSE

Governor of Maryland Acts in Case
of Dorothy Grandon, Who Was
Attacked Last August.

BALTIMORE, Md., March 25.—
Gov. Ritchie yesterday paroled
nine men serving workhouse sen-
tences of one year each for their
part in the tarring and feathering
of Dorothy Grandon of Martins-
burg, W. Va., at Myersville, Fred-
erick County, last August.

Miss Grandon had been accused
of receiving attentions of married
men and had been ordered to leave
the neighborhood. Miss Grandon
was the only person to oppose their
release.

reasonable and sensible reform of
the manner in which the business
of the courts is transacted, to the
end that everyone who finds it nec-
essary to go into court will have
the feeling that he will be given
justice; that he will not be forced
to quit because of the expense and
delay in the administration of jus-
tice; and in criminal cases that the
administration of the criminal laws
shall be such as will result, in the
proper punishment of those who
are guilty of crime, so that the
safeguards of protection for the
lives and property of the citizens
guaranteed by the Constitution of
this State will mean something to
society.

Not more courts are needed to
relieve congested dockets, Lashly
asserted, but the creation of a
more flexible machinery, such as
would have been provided by the
Judicial Council. Power was given
this body to provide by rule or
order for the transfer of cases from
one Court of Appeals to another,
and to assign a Judge of any trial
court to assist the trial court of
any like jurisdiction in the trial
of cases and in the transaction of
the business of that court.

"But the amendment went
down," the speaker related, "be-
cause certain special interests and
certain of the Judges who would be
affected by the amendment, carried
on a vigorous campaign against it.
Some day, however, the people of
this State will insist that some such
system as was suggested by the
convention be adopted."

Work of Juvenile Court.

The workings of the Juvenile
Court and the Court of Domestic
Relations was described to the
members of the institute by Circuit
Judge John W. Calhoun. He ex-
plained that in the Juvenile Court
offenders are of two types—neg-
lected or delinquent children. In
the case of the neglected child, the
parent or parents are in effect on
trial; the delinquent child offers
problems of care and reformation.

In this work he praised the work
of probation officers and volunteer
welfare agencies such as the Big
Sisters, the Big Brothers and the
Good Will Club. "Frequently these
agencies are able to place the child
in a private home, which is most
desirable. Bellefontaine Farm,
where are sent delinquent boys,
is as fine an institution of its kind
as any in the United States.

"There the cottage system is in
vogue, with a house, father and
house mother for each 20 children.
Half of the day is spent by the
child working on the farm, the
other half in school. Thus half of
the farm inmates are at work,
while the other half is studying.
The theory is that the child sees
the growing plant and sees its need
for care and protection. By pre-
cept, Nature shows him that by
right conduct he will also grow up
right."

To Open Girls' Farm.

A similar Girls' Industrial Farm
at Valley Park is shortly to be
opened, the speaker related, to be
operated under the same system by
the Board of Children's Guardians.
He commended the board's plan of
segregating and classifying the in-
mates by ages and offenses, and
lamented that at the Boys' Reform-
atory at Booneville youths of ten-
der age are thrown in with cal-
loused offenders.

Trials of divorces and other
cases of domestic discord in cham-
bers, in the Court of Domestic Re-
lations, had entirely justified the
plan, Judge Calhoun asserted. Both
principals and witnesses are more
prone to divulge facts in question,
knowing that they will be spared
unpleasant publicity. The St. Louis
press was commended for co-oper-
ating with the Judges in this re-
spect.

Dr. Thomas H. Reed, professor
of political science at the Uni-
versity of Michigan, addressed the
members on "Typical of Municipal
Government" at the opening ses-
sion yesterday morning. Between
the Mayor and council form, the
commission form and the city man-
ager form, he favored the latter,
as most efficient and economic.

History of Charter.

Former Judge Henry S. Caulfield,
who was counsel for the Board of
Freeholders, which drew the St.
Louis charter in 1914, gave a de-
tailed narrative of the history of
the charter making and of its
workings. The charter gives im-
pulsiveness, he said, but it depends
on the persons charged with func-
tioning under it as to whether best
results are obtained. "For in-
stance," he declared, "an Efficiency
Board could be put in that would
make a joke of the merit system,
so that only favored members of
the dominant party need apply."

He adverted to remark that this
point appeared to have been om-
itted in the platforms of the pre-
sent majority candidates.
At luncheon yesterday former
Gov. Charles S. Whitman spoke on
"Law Enforcement," a review of
his lecture delivered the night be-
fore to the Bar Association of St.
Louis. Today's sessions were to be
devoted to "Paying the Cost of City
Government" and "Efficiency in
City Government."

Anti-Trust Violations Abroad.

WASHINGTON, March 25.—Six-
teen members of the Senate have
joined in a request that the Fed-
eral Trade Commission supply
them with any information it may
have regarding the nature of
combinations being formed abroad
by American business, commercial
and financial firms and corpora-
tions in alleged violation of the
anti-trust laws.

In a letter to the
commission, made public today,
the Senators asked for any infor-
mation the commission has as to
this and particularly as showing
whether in any cases American
goods are sold cheaper to foreign
customers as a means of main-
taining the prices of such goods
manufactured in the United States
than to American consumers.

I WANNA WIRE A \$3 BET ON CHILHOWEE

Several Fights in Big League Camps for Jobs at Third Base

Gene Robertson Virtually Sure of His Place With Browns, But Three Cardinal Athletes Are Competing at Stockton for Regular Position.

By Herman Wecke.

Youngsters coming up to the major leagues will have a hard time making the grade as regulars at third base this spring, according to all indications. The "dope" at the present time seems to indicate that a majority of the veterans of 1924 will again be at their regular places.

Gene Robertson, the St. Louis boy, will again play the position for the Browns. With the Cardinals, a different situation holds out. Any one of three players may win the berth. The athletes expected to fight it out are Freigau, Bell and Toporcer. If the bespectacled star finally signs his contract, Bell, if he can field, and his as he did in the American Association when he topped the circuit in clubbing, is favored. Freigau and Toporcer played the position a year ago, but set no records on the field. Freigau started out the season in great style.

CONTEST AT BOSTON.
The real fight in the American League will be at the Boston camp, with Prothro, obtained by the Red Sox in a trade with the Senators, and who was recalled by Harris from Memphis, battling with Homer Ezzell, the former Brown. At Detroit Jones and Hancy are again expected to alternate.

As regards the other teams, the White Sox have Willie Kamm; there is a possibility that Harris may be forced to shift Elmer to left-center.

SEVENTH INNING.
Browns—Masterson went in to pitch for Buffalo. Lamotte flied to Spencer. Gerber flied to Kingdon. Grant was hit by a pitched ball. Tobin walked. Robertson out. Miller to Kelley. NO RUNS.

EIGHTH INNING.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

NINTH INNING.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

TENTH INNING.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Eleventh Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Twelfth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Thirteenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Fourteenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Fifteenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Sixteenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Seventeenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Eighteenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Nineteenth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Twentieth Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Twenty-first Inning.
Browns—Sister walked. Williams out. Kelley flied to Miller. Bennett singled to center. Spencer flied to Kingdon. Webb flied to Miller. Robertson flied to Spencer. ONE RUN.

Sothoron Ready To Try Out Arm In Regular Game

Pitcher Is Down to 178 Pounds—Takes Long Practices Fielding Bunts.

From a Staff Correspondent of the Post-Dispatch.

STOCKTON, Cal., March 25.—Allan Sothoron, who led the Cardinals' pitchers from the standpoint of effectiveness last season, has not appeared on the hill in any one of the 32 games played by the team at 178 pounds. Sothoron has been in the Cardinals' camp since the team left St. Louis for the California trip.

Sothoron is a slow starter in the spring, was permitted to go his own way in the matter of preparing himself for the coming season. He is a pitcher of the "old school" type, and is a favorite of the fans.

Disbarment of Dempsey Likely To Force Wills-Gibbons Match

Dempsey Will Then Square Himself With the Commission and Arrange Bout for Championship With the Winner—Kearns Looks for Bid Shortly.

Special to the Post-Dispatch.

NEW YORK, March 25.—New York boxing promoters, critics and fans were busy today, to anticipate the next move in the heavyweight boxing championship situation, thrown into turmoil, yesterday, when the State Athletic Commission declared Jack Dempsey ineligible until he squares himself by explaining why he failed to reply directly to the commission's order to accept Harry Wills' challenge.

Commission, established in the East, and the real champion boxing independently on the Pacific Coast.

Some see in Dempsey's stand merely a move to force a fight between Gibbons and Wills first. When that fight is over, Dempsey will then square himself with the commission and arrange a bout for the championship with the winner.

It is considered probable that Wills and Gibbons will be matched to fight at the Mfg. Fund benefit, if Gibbons' \$200,000 demand can be met.

Kearns expects proposition soon. Jack Kearns had this to say of the action of the commission: "What are we set down for? Not for trying, I hope. Say, I've been working for two years trying to dig up a legitimate promoter with a legitimate offer. Not one single offer has come to the champion for a fight with Wills, so why set us down? Instead of digging up fighters for us, why doesn't the commission dig up a promoter or two? Challenges are a dime a dozen if there is no place to fight and nobody to guarantee that there will be a fight."

"I have no desire to antagonize the commission and I suppose the best thing to do is to sit tight until something turns up in the way of a match. Well, sign tonight, tomorrow or any time a real promoter and a real offer comes forward. I have no reason to believe that one will shortly, why, it will be time to deal with the commission."

TAPIN, AT 9 TO 1, WINS LINCOLNSHIRE CLASSIC; O'NEILL UP ON PARTH
By the Associated Press.
LINCOLN, England, March 25.—Tapin, owned by E. K. Ekanayake, won the Lincolnshire Handicap of 1900 with extras, run over the straight mile course here today. Mrs. Coomb's Grave Fairy was second and H. Muller's King Willow was third. Twenty-six ran.

Mr. Ekanayake, owner of Tapin, a wealthy Paris sportsman and the success of his entry shows the French to be emulating their British counterparts in the sport of horse racing. Tapin, a French owner, won the Lincolnshire Handicap of 1900 with extras, run over the straight mile course here today.

Local District Issues Sanction For Nurmi Meet

Finn Will Appear in Games Here April 20 for Legion Orphans' Benefit.

Special to the Post-Dispatch.

ST. LOUIS, March 25.—The registration committee of the Western District Amateur Athletic Union of America today announced through Dr. C. M. Westerman that its members had issued a sanction for an outdoor track and field meet to be held at the Clayton High School on April 20 for the benefit of the Legion Orphans' Fund.

The society's purpose, Dr. Westerman said, was to use the meet as a setting for the appearance here of Paavo Nurmi on April 20. A contract for this appearance was signed by Nurmi at the instance of Robert Probst, also of the local registration committee. Probst gained Nurmi's consent to show here on a recent trip to New York, with the St. Louis amateur boxing team.

Dr. Westerman stated that a tentative program of 21 events had been arranged by the "Society of 40 Men and 8 Horses," through a committee in charge, and that besides the local high school and university athletes, invitations to compete would be extended to all schools, colleges and universities within a radius of 200 miles from St. Louis.

Dr. Westerman stated that it was the society's purpose to turn over the net proceeds of the meet to the American Legion Orphans' Fund.

Details of the working out of the program will be announced from time to time, Dr. Westerman said. No place for the meet has been agreed upon, but the only two suitable enclosures here are Sportsman's Park and Washington University field.

In the outfield the Pikers will be seen. Ralph Walsh, who hit close to last year and who led the Washington Pikers, will be in the line. He is expected to be eligible when the schedule is opened.

Billiard Notes.
MINNEAPOLIS.—Johnny Layton, former champion, won two games in the National Three-Cushion League, defeating Allen Hall, 59 to 49 and 58 to 42. Layton was in excellent stroke. He ran 11 in his afternoon game, scoring his 58 points in 44 innings. Hall was shooting well and had a run of 6.

In the evening match, each player had a run of 6 and Layton finished the match in 43 innings.

KANSAS CITY.—Cue Cupules, leader in the National Three-Cushion League, was held to an even division of honors in two games with Tiff Denton. Cupules won the evening game, 53 to 28, in 48 innings, in spite of Denton's run of 8.

In the afternoon, Denton won, 50 to 49, in 51 innings. Denton's best run was a 7.

BOROTRA TO COMPETE.
By the Associated Press.
NEW YORK, March 25.—Jean Borotra, a leader in Europe—tennis, arrived from France last night to participate in the national indoor championships in New York starting Saturday.

Parth began badly when the race started, with the least bit of thunder and lightning. L. S. D. led the field half the way, followed closely by Tapin. King Willow and Grave Fairy. But three furlongs from home Tapin took the lead, drew out and won easily.

Dorsey, who was the last minute favorite, was the second favorite in the race, but L. S. D. finished 9 lengths ahead.

Piker Nine Have Real Chance To Appear in Win Valley Title Special Bouts

Seven Letter Men of Team That Finished Second in 1924 Are With Squad.

Washington University's basketball squad, which includes seven letter men of last year's team, is practicing regularly under Coach E. Davis in preparation for the conference campaign of 14 games.

Last year the Pikers finished second place, only one game behind Iowa State. The Pikers are the only team in the circuit to break even with the championship. Washington is apparently stronger this year. With a number of recruits from the 1924 team ranks available, and several new players, the Pikers are setting about the business of winning the Valley title. Bob Weller, who was a starter last year, is the only regular of the year who will not be in uniform.

"Reddy" Gragg, a heavy hitter, will have to handle the front line. Burt Cheatham is again expected to be a choice for second base, but he will have to work hard to keep his

STOCK LIST IRREGULAR; LATE RALLY

Early Upturn Meets Selling
—Ralls Get Better Support—Short-Covering in Market.

By Leased Wire from the New York Bureau of the Post-Dispatch.

NEW YORK, March 25.—The Evening Post in its copyrighted financial review today says:

A far more cheerful tone prevailed most of the day's financial markets and demonstrated that the reaction which has been crumbling away values cannot go on indefinitely. Many of the prominent market leaders rallied firmly in the final hour today with sharp advances to the best prices of the week. The reversal in form was the most surprising because a sharp rise at the start had been virtually all lost in the early afternoon when the market turned lifeless and gave indications of another sinking spell. Bull shares were well supported, however, and when those who had sold for a decline found it impossible to follow up their advantage in this group, there was a definite move to cover short entries.

Clearing Away Pessimism.

"The rally in several prominent leaders not only sent shorts scrambling to cover, but it served to lead away some of the pessimism which has been overhauling the district for more than a week. The weekly summary of conditions in the steel industry emphasized the fact that expansion was continuing moderately, and that it is even possible that production again will have to be speeded up to the rate that prevailed in the first two months of the year.

Foreign Exchanges Firm.

"Little change was noticeable in the market for foreign exchanges. Norwegian bills advanced sharply.

Don't Take
One Man's Word For It

There is one big question to ask when you buy a real estate bond: What is the property worth? And another one like it: What will it earn?

Because this is too serious a matter for you to pass over lightly, we made Independent Appraisals a feature of Miller First Mortgage Bonds. We have outside experts tell you what they think the property is worth and what it will earn.

This is just one of the Four Distinguishing Marks that enable you to buy Miller Bonds with confidence—enable you to get as much as 7% safely, with 4% Federal Income Tax refunded. Ask for Booklet B-126.

BOYS SEARCH RUINS OF SCHOOL FOR BOOKS

Two Pupils Died and Many Others Were Injured When Building Blew In.

WEST FRANKFORT, Ill., March 25.—Some of the boys who survived the wreck of their school near Plumtown, about three miles west of West Frankfort, Ill., don't find any joy in the fact that there is no more school for them. Two were killed in this building out of 75 pupils, two badly injured, one of the teachers, Claude Simpson, suffered a broken leg, and a woman who sought refuge in the school was seriously hurt. Nearly all of the children suffered cuts, scratches and bruises. The storm so thoroughly wrecked the building that the floor of the rear room was inverted and dumped on the entire mass. One boy was taken down from the tree top nearest the coal shed, unhurt, save for numerous cuts and scratches. The storm seemed to dip at this schoolhouse and for three miles followed the road into West Frankfort, where it struck in the north-west part of the city. The damage along the country road was far greater than in the city. It missed the main section of the city and skipped to No. 18 or the New Orient, where the toll of life was heavy.

HERO RECEIVES BELATED D. S. C.

Sam Copeland, retired negro private, was the center of military
pageantry at Jefferson Barracks Monday, when Major-General
George B. Duncan pinned a Distinguished Service Cross on him
for heroism in the Philippines in 1899.

JOCKEY NOW A PREACHER

Jack Jennings, once prominent
as a jockey in the British turf
world, as he preached the "Turf
Sunday" service at the British-
American Church at Maison
Lafitte, near Paris.
